I am writing to encourage you to please approve agenda item #24. Huntington Beach has become a hot spot for extremists and we need our leaders to help reclaim our city and make it a safe place for all residents to enjoy. It is time for the City Council to step up and unequivocally condemn the act of sedition and insurrection at the U.S. Capitol on January 6th.

Those choosing to continue to incite violence or spread wild conspiracy theories, especially those members of city council that support such treasonous actions, need to be held to account immediately!

Kindest regards,

Alison Tovar

I am writing to express my full support for resolution 24 which serves to publicly condemn the insurrection at the Capital. I implore you all to fully support and adopt the resolution. It is clear that leaders in communities can have a profound impact on their constituents. Please do the right thing and show that Huntington Beach leadership is not willing to pander to extremists.

In addition, I want it to be clear, that the current and ongoing protests downtown needs to be addressed. My family and I now are not willing to go downtown to order out. We avoid Main Street, we avoid the businesses because we fear not only exposure to COVID but the unpredictability of the groups that are gathering.

Thank you for your time and consideration of my comments.

Best,

Good Morning,

I have been a homeowner in Huntington Beach for 20+ years, and my family has been part of Huntington Beach since the 40's. I want the city council to know that I support Item 24 and call on all of our city council members to vote yes on Item 24. Is imperative that we send a message to the fringe groups in HB and those that travel to HB that the city stands against insurrectionists and the white nationalism behind the insurrection.

Dear Mayor Carr and Council Members ,

I am writing to you in support of item 24 on your upcoming agenda. I expect our council to unanimously vote to condemn the violent insurgents who invaded our Capitol in Washington D.C. and murdered a police officer.

The criminal acts we all saw happening at the Capitol must be denounced in the strongest terms.

My thanks to the council members who put this on the agenda.

Sincerely

I am writing to you in support of agenda item number 24 for the upcoming city Council meeting.

I hope that ALL members of the city Council will vote to reaffirm the City's stance against Trump's insurrection, in order to help quell violence at future protests in Huntington Beach.

I am very concerned that at least one member of this council continues to post false and misleading information surrounding the election, and the COVID crisis, on their personal Instagram.

I implore all members of the council to take these situations seriously, following experts advice, and set themselves as an example to the community by providing only clear and truthful information.

Thank you for your service to community, and for taking the time to read this message.

Sincerely,

Hello!

I am writing in support of item 24 on the agenda for the city council meeting on January 19. In a country - and a city - as divided as ours, I think it's important for us to come together to condemn violence, and hold those responsible accountable for their actions.

It would be easy to brush this off as an issue irrelevant to our local politics. It isn't. Huntington Beach residents flew across the country during a pandemic to be part of the insurrection last week, and they have supporters here in our city, and frankly, on our city council.

Councilmembers Delgleize, Kalmick, and Moser have shown a good deal of courage by adding this item to the agenda, and I hope all of our councilmembers will vote in favor.

**Subject:** SUPPORT FOR agenda item #24 Condemning the seditious acts of violence and affirming commitment to American Democratic Principles and Practices

Dear Mayor Carr, Council Members Moser, Delgleize and Kalmick, and member of the City Council:

I am writing to urge the City Council's unanimous support for Agenda item #24, Condemning the seditious acts of violence at the U. S. Capitol on January 6, 2021, and affirming the City's unwavering commitment to American Democratic Principles and Practices.

While federal law enforcement continues to investigate and charge those involved in the violence at the U.S. Capitol on January 6, 2021, local leaders should convey a strong message condemning the use of violence and threats to further personal views, political opinions, or to change the results of settled, certified elections. That should be common ground no matter one's political affiliation. I believe all of you are aware there are community members who have been threatened with violence incited by or from those who disagree with their opinion. This is a local issue, as well as a national issue.

Please support agenda item #24 at the January 19, 2021, City Council meeting.

Best,

We must have no more inciting of insurrection of our federal government nor our local government.  
We can not tolerate anymore riotous and/or hostile and violent behavior in our downtown and pier locations, no matter which group is disturbing the peace and threatening our safety and reputation.

Please return Huntington Beach to a safe and respectful city.
