Dear Ms. Carr,

I am writing to you as a lifelong resident of Huntington Beach. I urge you to continue recommending to the city council to conduct a vote of no confidence in Tito Ortiz, due to his unprofessional behavior, poor judgement, and inability to perform as a public servant. Allowing this man to continue serving as Mayor Pro Tem would be a disaster and would negatively affect all constituents. I implore you to do your duty to the people of Huntington Beach and to remove this bigot from office.

My best,

Kelly Connelly

Good morning,

I fully support the removal of Mr. Tito Ortiz as Mayor Pro-Tem and his removal from any leadership roles on Huntington Beach City Council. I have no confidence in Mr. Ortiz's leadership capabilities. He has already proven he lacks the ability to represent Huntington Beach residents in his latest TK burger outburst and as a prominent Q supporter in our community. He clearly does not care for our welfare.

As a resident of Huntington Beach for more than 30 years, I strongly object to this agenda item.

Please spend the city resources, including your time, on issues of utmost importance right now such as the homeless epidemic, getting more individuals into the Navigation Center and off the street, enforcing anti-camping laws, and helping our residents and small businesses that are suffering and closing at this time.

I agree with the agenda to vote no confidence in Mr Ortiz and remove him from Mayor Pro Tem leadership.

Mr Ortiz has shown himself to be inflammatory in his social media accounts.

His boating incident is widespread knowledge.

While he apologized for his comments about TK Burger, his sentiments of anti-mask behavior and rhetoric is harmful for the health and well-being of our community and further incites more hostility among our citizens.

Small businesses are suffering from anti-mask rhetoric among our residents. These small businesses suffer more loss of business as this rhetoric continues and behavior of residents target them as Mr Ortiz has.

We're in a global pandemic crisis and we should be doing everything we can to get the numbers down, promote masks, distancing, & vaccines so we can get back to normal as soon as possible. This constant barrage of conspiracy motivated behavior is not helping us reach our goals.

Meeting Date: 2/1/21
Agenda Item No.: 23(21-102)

Hi Kim,

I'm writing today to express my support of the HB City Council removing Tito Ortiz from the mayor-pro-tem position.

I am invested in keeping HB safe, clean, healthy and affordable. And fun!

Boy, Tito is fun, isn't he? What a good show he puts on- it's been my pure entertainment on a daily basis to wake up and see what new trouble Tito got himself into. I always loved how excited the kids would get to watch him go by in the 4th of July parade. He may be a great guy. A good dad. An overcomer. I applaud his growth and success in his personal life, which has given him the opportunity to be a very public figure. I am not surprised that the "HB Bad Boy" was elected- he's so popular with the kids and those who don't follow politics. Unfortunately, you've been forced into this position since there were too many conservative candidates on the ballot, causing such a split that Tito ended up with the most votes (most coming from those who knew no other names on the ballot.)

I don't think he's ready to serve on city council. He has demonstrated, in these last couple of months, that he is not willing to take a back seat, follow the rules, and listen and learn. Refusing to wear a mask is a deal breaker. Shaming Tk was a deal breaker. The incident at Oak View was a deal breaker. He doesn't know how motions work. He doesn't understand the issues he's voting on and has to change his vote after the rest of you guide him. He posted a video on his Twitter account of the Capitol riots, and commented "I told you" ..referring to his belief that the rioters were Antifa in disguise. (The video was intended to show how terrible the riots were but he couldn't even understand that simple message.) He believes the virus is a "plandemic" and slides that in to his public comments whenever possible.

While Tito may learn to be more open and willing, I'm not confident he has the mental capacity needed to run this city. In fact, he absolutely doesn't. It's sad to watch and I'm sure it must be embarrassing and extremely frustrating to have to spend your time and effort getting Tito up to speed.

He needs harassment training, social skills training, a visit to the morgue, and 100 hours of mandated reruns of city council meetings, and maybe it's time to implement some kind of mental capacity exam that candidates must pass in order to run for office.

I've been a resident of HB for 42 years, raised 5 kids (2 HB lifeguards), been involved as a Girl Scout leader for many years, all my kids participated in high school and club sports, and I own a home and business here. I work closely with many nonprofits and business leaders in our community. Dufour Insurance Services provides insurance and risk management to nonprofits, including many projects in HB (Mercy House, PSS, Friends of the Library, The Council on

Aging, Boys and Girls Clubs, and many others have been my clients over the past 15 years.) I've worked with many boards, council members, and past mayors on all sides of the political fence without issue. I've felt respect and cooperation from those who have served before, those truly invested in doing the work- reviewing contracts, analyzing budget figures, financial statements, etc... to bring the services needed to the residents of our city. They didn't pretend to know all the answers, but they put their heads together, collaborated, reasoned, articulated, and made intelligent decisions. Tito is not intelligent. He's not cooperative. He's not respectful. He's just not on the level we need our decision makers to operate on.

I appreciate this week's efforts to make a positive change, take a step back, and respond to the dangerous and uncomfortable situation you're faced with, and hope to see a positive outcome. You guys are awesome, keep up the good work!

Sincerely,

Stephanie Dufour

Mayor Carr,

I am in total support of removing Tito Ortiz from his Mayor pro tem status. I wish he would just resign altogether. I am an RN at a local hospital. This last year, and more specifically this last few months, have been a nightmare for healthcare workers. His unprofessional behavior, lack of intelligent leadership, and refusal to follow the basic minimum requirements to help control COVID is not only irresponsible, but a slap in the face to those of us dealing with the fallout of people like him.

I understand that public service can be difficult, and there will always be differences of opinion, and that's fine. However, he has not grasped the concept that with leadership comes responsibility to put aside your own bias and do what's in the best interest of ALL those you serve. I'll even go one step further and say not only is he using poor judgement, but the lack of common sense is mind boggling! WHO seriously expects to sit in an indoor council meeting with no mask right now? WHO trashes a local business on video, because they ask for a mask? He's made threatening, disrespectful remarks to locals. He obviously does not take this job serious. Huntington Beach deserves better.

Thank you,
Deanna

Meeting Date: 2/1/21

Agenda Item No.: 23(21-102)

Good morning Mayor Carr,

I am writing in support of your motion to remove Council Member Tito Ortiz from the position of Mayor Pro Tem. I returned to HB (2nd St) in Spring 2020 after being gone for 23yrs. I have 2 teens so you could imagine my shock of all the happenings surrounding downtown and the pier, even experiencing damage in front of my home due to "protesters" who really were just drunk and hopped up residents. I spent months feeling regret asking myself what I had just done to my kids! Clearly I made a terrible mistake moving my children here and longing for what I remember to be the most incredible little beach town. The election brought another feeling of doom when I realized I lived in a city that elected someone that could hardly form a coherent sentence? The ridicule I face from clients around the country has not eased up, my sweet beach town is the laughing stock of the country. He is an embarrassment to himself and to all of us and I have no confidence in his ability to lead in a moment of need. I own 3 properties in HB and was considering buying an apartment building but have held off because of Mr. Ortiz's position of power, just not sure this is where I want my funds tied up. You have shown a glimmer of hope that I did not make a horrible mistake, I truly hope the rest of the council backs your effort.

Thank you for restoring my faith in HB!

Hi Kim,

I am a Huntington Beach resident and am encouraging you to vote no confidence for council member Tito Ortiz.

He has shown repeated disregard for the safety of our community by spreading disinformation regarding the effectiveness of masks and the severity of the pandemic.

This is unacceptable, in this extremely challenging time we should be coming together as a community- anti maskers are an embarrassment plain and simple.

Thank you for your time and service to our city.

Council,

I am writing you all today in regards to next Tuesdays H item. I think the item H should be removed. Mr. Ortiz has never tried to trick the public out of 2.4 million dollars like Dan Kalmick and his Huntington Beach Public Art Alliance which was shut down by residents 3 times. Dan and his partner Kim Kramer have not only harassed residents but have used their power and influence within the city to strong arm my wife and I for 3 years now. Even though our property has been cleared by the City several times these individuals continue to put pressure on us. Having people call on our property even when they don't live anywhere close to us. A criminal case filed by Jimmy H. a city employee was thrown out of court. My wife has spoken to Kim Carr and Michel Posey about this and they are aware of the situation.

Bottom line is, there are far more damaging things that council members have done to the community they serve. I didn't vote for Mr. Ortiz, I don't care for his national political views but I feel he wants to do a good job on the city he grew up in. Ethics should be something this council should focus on. Working for the greater good of the community is the first step. Requesting this item be removed from the agenda.

Thank you,

William Hennerty

My name is Nicole Marsey. I live in Fountain Valley and have spent the last decade working in Huntington Beach. I am writing to you today to ask that you consider a vote of no confidence for the new Mayor Pro Tem, Tito Ortiz. Ultimately, his removal from office will hopefully lift the stain from Huntington Beach's name that he has caused.

Unfortunately, Mr. Ortiz has failed to perform at a level expected of his position. I, as well as many other local citizens, am concerned about Mr. Ortiz' lack of mask wearing in public, using his platform to spread "Q-Anon" conspiracy theories, harassing locals, and disparaging local businesses. He allows his ego to get in the way of his position, which is not safe for any of us.

Please, I strongly urge you to consider this vote of no confidence, and ultimately, removing Mr. Ortiz from the position of Mayor Pro Tem. Thank you for your time and consideration.

Good Morning,

I believe Tito Ortiz need to be removed as Pro-tem mayor immediately. His intentions are very harmful to our beautiful city of Huntington Beach. Recently he went to TK burgers with no mask and was putting them down for refusing service during a pandemic. He should be a leader for our city rather then encouraging to bring down small businesses who turn someone down for not following the CDC guidelines. He was also turned down as police officer because of his DUI. He should not be qualified to be apart of city council. There are so many better candidates in Huntington Beach then Tito Ortiz. Please show that you care about our community and remove him immediately.

Dear Mayor Carr

Recently I was notified of your motion to remove Mr Ortiz of his mayor Pro Tem Title. I wish to ask that you reconsider and his motion as Mr Ortiz DID indeed receive the highest vote for CC. I understand it may be politically motivated, which I can't believe that you personally or any other member would put forth such a motion based on political motions. Also, I have indeed seen his post vs A local business regarding boycott as per policy. I did indeed read his apology. Which I believe was heartfelt and sincere. I truly believe he has learned his lesson and these behaviors do not warrant removal of Mayor Pro Tem title. If necessary, you can revisit this at a later date but as of now he has done nothing to deserve the removal of his Mayor Pro Tem status.

I ask that you reconsider this motion and do not remove title from Mr Ortiz.
His behaviors do not warrant removal - he has earned the right being he had record votes in November.

Nor do I think that he has a true grasp of the requirements of the position. He appears to struggle with keeping his person feelings in check when attending to city business. As he tenure continues, he stumbles in a public way, and puts the city in a poor light. As a life long resident, who's family had been here over 100 years, it saddens me to watch this. Mr. Ortiz does not appear to understand the importance of his public image as a council member.

Hello City Council,

I wanted to reach out to you in regards to a purported motion to remove Tito Ortiz as Mayor Pro-tem. If this is the case I wanted express my support of this motion. Tito, in his short time in politics, has shown that he is severely inept. He played a major role in the counter protest to BLM events. Encouraging the people that literally spat in the face of people protesting for the rights of POC, during a pandemic no less. He has encouraged dangerous misinformation for QAnon conspiracies, and has even gone as far as to profit from it by selling merchandise. Speaking of the pandemic, his blatant disregard for not only state mandates, but peoples health during this crisis is unacceptable. He is unfit to be Mayor and honestly unfit to even be on City Council. I hope that you move forward with a motion to remove him and know that there is support in this decision.

Thank you,

I believe that Mr. Ortiz loves this city and wants to make it a better place but his extreme beliefs and radical behavior as recently displayed do not express confidence the he is fit for the duties of the office.

My son attends Dwyer Middle school and will be at Huntington Beach HS next year. The youth is already aware of his actions and egotistical attitude. Some of these children look up to Tito Ortiz because of the status of his profession. Unfortunately all he is instilling them is to disrespect rules and regulations, and AUTHORITIES. Hi there,
I heard that there will be a potential vote of no confidence for mayor pro tem Ortiz.

In short, I want to express my level of concern, anger, and disappointment with his actions, statements, and flat out slap in the face to the many victims and families of Covid. As well as the healthcare workers like myself an ICU nurse taking care of this population.

His outward personal choice to not wear a mask at indoor public establishments or in close proximity to others is a poor representation of HB. He fuels the fire of mistrust. A blatant disregard for safety and failing at just morally being a good person. There is so much more to say about his character. Unfortunately his past professional career and popularity was the reason for him being voted in.

Him always claiming he's a patriot and for the people is NOT who I want representing me. There are no issues with patriotism in HB. Especially us hosting the largest Fourth of July parade west of the Mississippi. The last straw was his comments about TK burger and I just think of the poor teenage girl there doing her job following a state mandated rule and a bully like him coming in. Obviously Tito is not in the know because I matter your political stance you don't mess with a staple like TK Burger. I've grown up in Huntington Beach and am proud of where I live but his antics as well as the tarnish of so many attitudes of "no one wears a mask" and being the center of protests in OC makes me embarrassed to claim this city as mine. I feel like I have to constantly defend it. I was a graduate of Marina high school in 2000, a Huntington Beach City Lifeguard and still live in Huntington.

Thank you for hearing me out. Take care and be safe.

Its not safe in HB anymore to shop or just have a leisurely day at the beach or pier. Seen several videos on how he's been a disgrace to our city. Especially what he did to TK Burger an iconic burger restaurant that's just following the CDC and health departments guidelines. Masks are a must with the growing pandemic. He needs to go and take his buddies with him that cause all the angry protests in downtown. And for that matter an investigation if any of them were apart of the 1-6-21 attack on our country's capital. Just saying. Let's make HB peaceful place again so it can flourish with visitors whom appreciate our town. Thank you.

Huntington Beach is constantly being called a racist city. Yet we elected our first Hispanic council member with a record number of votes. Now because the left who has never liked Tito. Is complaining. You want to nullify our votes. Tito was not elected to be another puppet on our council. Beholding to special interests like most of you are. Right now you should be trying to unite our city. Instead of looking to divide us more. This could be a very dangerous vote and start two years of continuing fighting. Including recalls. Please reconsider this divide vote. Thank you. Craig Frampton

To the members of our city council,
I appreciate the opportunity to send you this letter, and that our Mayor, and several others have recognized the unprofessional manner that Mayor protom has conducted himself. I am writing as the small business owner of Butter+Cream bakery (formerly Great Dane baking company) that has been in business in Huntington Beach for 51 years. I have owned this store for 8 years and managed for 13. I was immediately outraged at the conduct last week with TK burger-knowing the establishment and management well- but then when you realize that POLITICS aside about the current state of what you believe is right and wrong about our "lock down"- every small business has been brutalized by COVID 19 , and every single one has had to fight for the opportunity to stay open, go through rigorous health department scrutiny , and follow the procedures of the CDC. Elected officials of our city are going to publicly bash small businesses and threaten them for following health codes and then encourage civilians to conduct themselves the same in other food service establishments? I have 16 and 17 year old employees that have to stand up for their right more so now than before for Their right to safety because of behavior endorsed and encouraged by members of our elected government. I realize this isn't news to you. I know that I have shown up as a business with donations and good will countless times for our city, and I'm hoping that our city can back us this time.

I apologize for lack of punctuation and grammar , a little stressed and worked up , and trying to get bear claws out of the oven.

Thank you for your time.

Most Sincerely,
Nataly Stein

Dear Mayor,

Tito Ortiz is 100% not fit for office and a terrible representation of our community. It has been people like him from his MAD TRUMPERS that have been giving our beautiful city a bad image during this pandemic protests against mask & further inciting their right wing violence.

The lack of compassion from him that he thinks its okay to walk into restaurants & work a food drive without a face mask is absurd. His actions & behaviors have shown that he could careless about the health and well being of our community. Frankly, he's too dumb to follow the science, just like the disgraced former President.

Masking up should have never been about politics. We all could use more kindness & compassion to bring our community together. Moving forward with unity for the health of HB. #HBSTRONG should mean we stand together masked up as a community showing we care for our neighbors & our city.

VOTE TITO OUT!

I am writing in support of removing Tito Ortiz as Mayor pro tem. His refusal to adhere to mask protocol is a distraction and puts others at risk. His video post requesting HB citizens ban TK Burger for refusing to serve him simply because they were following health protocols is inexcusable. A councilmember is supposed to support local business not suggest a boycott on it.

Tito using his position to spread conspiracy theories is also inappropriate. Referring to COVID as the "plandemic" and suggesting that the terrorists at the Capital insurrection on January 6th were "paid actors" on social media is also inexcusable. Hello,

I am a resident of HB for 15 years now. Husband grew up in HB. I heard about the new agenda on Mayer Posey and Kim Carr removing Tito from office. My opinion is do not remove him from office. The voters voted for him and want him to stay. If this is because of the TK video circulating that he didn't wear a mask and told the employees that he will never return because they told him to wear a mask. Who cares! That's his opinion. Is this all that Democrats do is remove someone from office because they don't like them? Just to remind all of you, that you don't have that right to remove anyone from office, only the voters do. Also, the voters will remember this during the next election.

Dear Ms Moser,

As you can guess from the subject line, I'm writing about my deep concern with Mayor Pro Tem Tito Ortiz. Since being elected he has spread disinformation on social media, undermined the city's positions on masks, vaccines, and social distancing. Most recently he insulted a local business for enforcing masks and threatened them with the loss of Huntington Beach's business. As a city councilor, Mr Ortiz speaks with the weight of the city behind him and his actions carry weight. So far his words and actions have only brought shame to the city. For the first time in my life I am embarrassed of my city.

I urge you to join other city council members in supporting a vote of no confidence in Tito Ortiz and to strip him of his Mayor Pro Tem position. No one has done more damage to our city in such a short amount of time. It cannot be without consequences.

Thank you,
Erin Spivey

To Carr- Posey & Dan K:

I find it more then upsetting that the WILL OF THE PEOPLE who voted for in mass for Tito Ortiz (more votes then any other candidate in HB History) is in jeopardy with the item you and the other 2 Council members have put on the Monday Agenda. This does not and will not sit well with the people YOU are suppose to represent, REMOVE THIS ITEM IMMEDIATELY or the Voice of the PEOPLE will be louder then you would ever imagine. The City Council has more important items to take care.

UNBELIEVEABLE!!

You are NOT the majority community of Huntington Beach that voted for Tito! This is totally unacceptable!

The top item is Mike Posey and Kim Carr removing Tito Ortiz as mayor pro-tem, even though he broke the record for most votes in a HB city council election in the entire history of HB.

The second item is council trying to inject themselves into state and national politics rather than cleaning up the mess here in HB. Seems we have some council members who want to play partisan politics rather than dealing with the train wreck issues we have in our own neighborhood.

STOP with all of this BS and do YOUR job! The Huntington Beach citizens voted him in and he needs to stay!

Hello,

I'm writing to express my opinion on your efforts to remove Tito Ortiz as Mayor Pro-Tem. I strongly disagree with this course of action and believe the HB City Council should instead focus on major issues plaguing our city. You know what they are. This is a bad look for you guys.

Has he made mistakes? Yes, however he does care about this city and got more votes than anyone running for Council in 2020.

Cut the guy some slack and try to work with him rather than creating more divisiveness.

Just my opinion. Thanks

Hello Mayor Carr, Councilmember Kalmick, and Councilmember Posey,

I support the no-confidence vote for Tito Ortiz as Mayor Pro Tem. I am a registered voter and resident of Huntington Beach. I believe Tito Ortiz was elected based on name recognition and not merit. I believe he lacks the education and aptitude to lead our city, as evident by his blatant disregard for public health and his susceptibility to conspiracy theories. We can do better. Our city deserves better.

Dear Mr. Posey,

As a 25 year resident of Huntington Beach, I am emailing to express my concern with Mayor Pro Tem, Tito Ortiz.

I was concerned with Mr. Ortiz's candidacy in the most recent election and became even more concerned with the results of the election. My concern had mostly to do with Mr. Ortiz's support for beliefs surrounding Qanon theories. Once Mr. Ortiz was elected, I made an effort to give him a fair chance to serve the city, however, it quickly became apparent that he lacks the ability to properly serve the needs of the city as a council member. His rhetoric on social media and his actions make it extremely clear that he should not hold a leadership position in our city.

I fully support the vote of no confidence to remove Mr. Ortiz from the position as Mayor Pro Tem and would also support his removal from office if it came to that.

Sincerely,

Michael Headley

Good afternoon:

As a resident of Huntington Beach, I am requesting that the City Council vote Yes to the motion for a no confidence vote and removal of Pro-Tem status of Jacob "Tito" Ortiz, Councilman. The very public persona of the Councilman is contrary to our community's spirit and is detrimental to all things the city stands for. By supporting the insurrection that sought to destroy the democratic foundations of our country on it's own should have been sufficient to support this motion, but the continued public postings showing his embracement of wild conspiracy theories and re-posting of blatant lies is beyond embarrassing for the city. Add to that the continued defiance of public safety standards and the shaming of a beloved local business is beyond the pale. The citizens of this city, the people who you are sworn to represent, deserve better. Make that man Mayor and we will be the laughingstock of this state, this country and you should believe that this will go global.

Thank you for your time,

Dear City Council Members,

I am writing to express my support of the recommended actions to vote no confidence and remove Mr. Ortiz from his current leadership role as Mayor Pro Tem.

As a 27-year resident of Huntington Beach, my family and I have been very happy living in our beach community. However, what once was the safest city in America is now making headline news with reports of HB residents storming our Nation's Capitol to our own city council member and Mayor Pro Tem Mr. Ortiz publicly shaming a small business because he was asked to wear a facemask.

Mr. Ortiz is a self-proclaimed conspiracy theorist and Q-Anon supporter who does not respect the health and wealthfare of the very community he is supposed to be serving. As evidenced in the many social media messages and videos that Mr. Ortiz himself has posted, it is clear he is not capable of fulfilling his civic duties as a responsible and unbiased member of the city council.

I appreciate and fully support the actions that have been proposed.

Respectfully,

Laura Martinez

Subject: Vote of No Confidence

Councilmembers,

I am writing to encourage all of you to vote no confidence in Mayor Pro Tem Tito Ortiz. While Mr. Ortiz gathered the most votes of any candidate in our city's history, it is apparent, even early on that he is not fit for the title of Mayor Pro Tem. I would argue he is not fit for the council, but he received the votes to get on the council so here he is. In his brief time on the council he has shown that he is in over his head. His bungling of the oath of office, his voting against a motion that he had seconded, his failure to wear a mask at a council strategy meeting and at a food drive on Ocean View School District Property (amongst other places), and his "emotional" outburst at a city small business for refusing him service because of his no mask beliefs. I will give councilmember Ortiz credit for apologizing about his tantrum when he couldn't get his cheeseburgers. I will also chalk up his early foibles in council meetings to his inexperience.

He has drawn national attention to our city, and not the kind that I like to see. He's become the butt of jokes on a nationally syndicated sports talk radio show, he's on the TV news because of his QAnon stances, his anti-mask stances, his abstention from voting to condemn the Capitol insurrection, and his inability to comprehend simple council tasks.

I saw the meeting in which councilmember Peterson was giddy with anticipation to anoint Mr. Ortiz Mayor Pro Tem, but I believe this decision was ill-advised and can be fixed, as Mr. Peterson is well aware, because in 2017 Billy O'Connell was to be Mayor Pro Tem due to getting the most votes of all the members from the previous election, but due to his frequent recusals, council members voted to have Mr. Peterson become Mayor Pro Tem. I ask that you do this again, removing Mr. Ortiz from the Mayor Pro Tem position and when he can begin to comprehend the tasks at hand, get his emotions under control and begin to represent the city in a dignified manner, maybe he can be Mayor Pro Tem again.

Saying all this, I do have to give Mr. Ortiz credit. He did not have an easy upbringing. He figured out how to beat the odds using his unique skill set, and I hope he can develop skills to become a quality member of the city council. A large number of people voted him in, but until he can develop the skills to become a quality member of the city council, he should not have the title of Mayor Pro Tem. Thank you for your time and consideration.

Sean Stowell

I agree that Mr. Ortiz should be stripped of his position (and while you're at it, let's get a real mayor and vote for that position instead of 7 people deciding every year based on who hasn't had a turn yet).

He, Mr. Peterson and Mr. Gates should all be censured for not wearing masks at public meetings.

Mr. Ortiz's behavior, politics, beliefs and associations are bad for HB. I did not vote for him and think him being in the city council is detrimental to our community. I have lived here 25 years and I'm embarrassed by his presence on this council.

Dear Mayor Carr,

I am writing as a local Huntington Beach resident in support of your recommendation of a no confidence vote in Tito Ortiz. I have lived in HB for 14 years and I own a home here. Up until last year, I quite enjoyed living here and exploring my town.

I cannot say I am surprised by the lack of professionalism that Tito Ortiz has displayed, as I am sure you are not, either.

The fact that we collectively voted this extremely unqualified individual into such a high office is disappointing and the consequences have been devastating. Tito Ortiz clearly only represents the extreme HB locals - those who, honestly, represent the worst of HB. HB has a dark history and putting Tito Ortiz in such a high position has liberated the folks who descend from those dark times. It has been embarrassing and difficult to live in HB lately. When people ask me where I live, I simply state "Orange County" because that is as specific as I would like to be.

From Tito's outward belief in QAnon to his stubbornness with wearing a mask to his aggressive behavior toward locals (that has been caught several times on camera), I cannot possibly imagine how anyone thought he would be fit to be a mayor. We need logical people in office, not angry conspiracy theorists who can barely form a sentence.

I fully support your call for action and I greatly thank you for it. I am ready for Huntington Beach to stop being the laughing stock of California. There are a lot of amazing things about Huntington Beach - we need to let those shine!

Thank you for your time.

Best regards,
Rachael Trapp

A city council member should accept and respect the rules that were set in place to govern them. If a member cannot abide by the rules, they should step down. The city council is supposed to be non-partisan so a persons political beliefs should be set aside for the time they are on the council. It seems that Mr. Ortiz does not have a clear understanding of it being a non-political position.

I support Mayor Carr as well as Council Members Posey and Kalmick in their actions to push for a vote of no confidence on current Mayor Pro-Tem Ortiz. I do not agree with the actions of Mayor Pro Tem Ortiz, especially his attack of local Huntington Beach businesses. This pandemic is especially hard on local businesses and our city council should be doing whatever they can to uplift local businesses, not put them down. This shows that Mayor Pro Tem Ortiz does not have the professionalism, nor the respect for our city to continue in his title. Thus, I strongly urge the council to not only vote no confidence on Mr. Ortiz, but also remove him from his current title as Mayor Pro Tem. I strongly recommend another fill his title. Dear Mayor Carr and HB City Council,

I am writing to express my lack of confidence in Mr. Ortiz's ability to fulfill his assignment as Mayor Pro-Tem. Based on his behavior in recent weeks, I do not feel he is ready to adequately and fairly represent the makeup and breadth of the population of Huntington Beach. His lack of understanding of how representative government works, his refusal to acknowledge scientific facts, and his odd leanings toward cult-like beliefs and dangerous behavior, and most importantly his words and actions which assumably reflect his political, ethical and moral opinions, do not represent me or my family.

Subject: Re: Tito Ortiz - The People's Mayor

Dear City Council:

It is extremely disturbing to me, a twenty-year resident of Huntington Beach, to see how the other members of the City Council want to remove Tito Ortiz as Mayor when the residents of Huntington Beach overwhelmingly voted for him and he is therefore the people's mayor.

As a Mexican immigrant myself I find it incredibly racist of the other council members to immediately want to remove the first Latino mayor of Huntington Beach. Their desire to remove him is not based on the good of the residents of Huntington Beach. Tito Ortiz as mayor goes a long way in proving that we are not the racist town that the media keeps trying to paint us as (with the help of those who practice racist identity politics in this town). The council members who reject him reject the will of the people.

I was just in Florida in November and even though it was sunny I could not get warm because the high rises blocked the sun from the beach. The hotel pool area I was at only allowed approximately 10% of the people at the pool to even be in the sun. This made me realize what a gem Huntington Beach is to NOT have high density along PCH. We do not want HB to be overcrowded like Santa Monica, full of crime like Venice Beach, nor full of high rises on the beach like Florida. Tito Ortiz gets that and his integrity and backbone are very needed at this place in time to fight off the greed which is destroying this state and trying to infect Huntington Beach.

We are the most diverse beach town in Southern California. Take a bike ride along our beach bike path or walk along Main Street and you can see every ethnicity and skin color peacefully enjoying our town. We are a town whose residents mostly practice ONE LOVE and I have high disdain for those who want more racism than exists in our town. Removing Tito Ortiz as mayor is the desire of THOSE people. Viva Tito Ortiz as mayor. Being that he had the highest votes ever for HB City Council, only racists and puppets of greed would want him removed as mayor - especially so soon after his historic election.

Sincerely,
Maria Piccolo

Ortiz...why should Ortiz be the next mayor when his actions over and over have embarrassed the citizens? I voted for this man but now, as I see him in action, I do not support his being HB mayor. I am not alone with this sentiment.

It is disheartening to see a public servant weild their power to bully. It is clear Mr. Ortiz does not believe he works for the people but instead would have the people work for him. Please vote no confidence in Mr. Ortiz and bring Huntington Beach back to a respectable, vibrant and welcoming community.

COMMENTS & ADDITIONAL NOTES

Mrs. Carr, regarding your proposal to remove Mr. Ortiz from his leadership position: I find it ironic that after you allowed an unmasked government lobbyist into council chambers (where you have disallowed the citizens of HB) to push your CCE control over us, you want to remove Mr. Ortiz. Is it because you do not believe in the First Amendment? Because you know that you will fail in any debate, so your answer is to silence everyone who lives here? So you posed in front of TK's after the Tito incident boasting support. Everyone knows you will vote at the behest of HBPA, to change zoning laws and level TK's, DQ and the houses behind them so you can build a high rise. Just like the tank farm. You think we're all so stupid. That's fine, your voice has an awful screech, and your sound more intelligent when your not speaking.

Thank you Mayor Carr! Please vote Tito Ortiz out of not just protem Mayor but please boot him off the city council ????. He's a stain for Huntington Beach and making it difficult for someone like myself a HB native to not feeling safe down town from the people he associates with like the Proud Boyz groups. Its not safe in HB anymore to shop or just have a leisurely day at the beach or pier. Seen several videos on how he's been a disgrace to our city. Especially what he did to TK Burger an iconic burger restaurant that's just following the CDC and health departments guidelines. Masks are a must with the growing pandemic. He needs to go and take his buddies with him that cause all the angry protests in downtown. And for that matter an investigation if any of them were apart of the 1-6-21 attack on our country's capital. Just saying. Let's make HB peaceful place again so it can flourish with visitors whom appreciate our town. Thank you.

COMMENTS & ADDITIONAL NOTES

In a recent video shown on Mayor Tito's social media he refused to wear a mask at a local restaurant and also encouraged residents to no longer eat at this restaurant because they asked him to wear a mask. He then went on to say that this is the 1st time a business has asked him to do this. With local hospitals like Long Beach Memorial that are literally over flowing with sick patients, including hospital staff that are getting sick, tents outside full of sick people, why is it ok for the Mayor of Huntington Beach (someone we look at as a role model) to publicly go against the rules and encourage others to do the same while many are suffering?

Mayor Carr,

I support the removal of Council Member Ortiz from his position as Mayor Pro Tem. His aggressive and unprofessional demeanor, refusal to wear a mask, and abuse of his platform to spread dangerous conspiracy theories are evidence of not only his ability to lead, but symptoms of diminished brain function as a result of injuries sustained from his previous career. Mr. Ortiz is unfit to lead this great city, and I know you will make the right decision this evening.

How dare you try to recall the most popular city council candidate in history. My family and I voted for Tito because he stands against this kind of crap and wants to keep HB sane. I will remember each and every one of you that supports this and will VOTE YOU OUT. Your job is to do the will of the PEOPLE, not the will of your own corruption. I will be sharing this information far and wide, the citizens of Huntington Beach should know you prefer to focus on political agendas before the will of the constituents. DISGUSTING!

Tito Ortiz was fairly elected by the citizens of Huntington Beach. Trying to recall him over your idiotic liberal differences is straight out of Nazi Germany. What's next after you recall him and he still is voicing opposition? Are you going to demand his arrest? Hey, apparently that's what your hero Hitler did so why not?

I am sick and tired of people like you who think your elected position allows you to undermine the constitution. You are OUR servants. Not the other way around. Figure it out or you will understand how pissed off your constituents are when you are all thrown out and never work in government again.

Stop your stupid liberal anti American BS and actually do work that improves our lives.

Tito Ortiz- I fully support the no confidence vote in removing Tito Ortiz as Mayor Pro Tem. His disrespect to local businesses (TK Burgers) and refusal to wear a mask puts our residents in potential danger. I even support a recall of Ortiz for a better public servant to serve us.

I support the no confidence vote to remove Tito Ortiz as Mayor pro tem. I am a long term resident of Huntington Beach and feel he is unfit for any public office or position of responsibility based on his disrespect toward local business and refusal to wear a mask during this pandemic at public events and city council meetings. His actions and words are disgraceful and have made our great city a national embarrassment.

Though I disagree with how Tito Ortiz handled the TK Burger issue I am more concerned about the silencing of people with different points of view. Hello I am writing to say that I believe Tito Ortiz need to be removed as Pro-tem mayor immediately. His intentions are very harmful to our beautiful city of Huntington Beach. Recently he went to TK burgers with no mask and was putting them down for refusing service during a pandemic. He should be a leader for our city rather than encouraging to bring down small businesses who turn someone down for not following the CDC guidelines. He was also turned down as police officer because of his DUI. He should not be qualified to be apart of city council. There are so many better candidates in Huntington Beach then Tito Ortiz. Please show that you care about our community and remove him immediately.

Hello,

I would like to express my support for the no confidence vote against Tito Ortiz. Being Mayor Pro Tem is not a joke and we need someone in the position who behaves like a leader. Mr. Ortiz's behavior has demonstrated he does not take his role seriously and cannot perform at the expected level, and should therefore be removed from his position.

Thank you,
Sam

Tito Ortiz has done many good things here in the city even before he was elected to the city council. He received more votes than any council member has in history !! To deprive him of his leadership role is telling all those people who voted for him that their vote does not count. Those who voted for him would count when it comes to a recall election on all you other council members. Think of that !! The citizens of HB are not stupid. We know who works for us and who doesn't. Tito is one that is for HB all the way. He supports the city & all the citizens. Looking forward to Tito being our MAYOR . A mayor for the people !!!!

This is in regards to Tito Ortiz being hassled. He got more votes when he ran for election than anybody has ever gotten ! People like him because he is for helping the city & the people. Those of you on the council who are trying to keep him from being our next mayor better think twice because you may not get re-elected next time. The citizens of HB are not stupid. They know who is looking out for their best interest & who is just thinking of themselves . Tito has done so much good for the city now and even before he was elected. We are looking forward to having him as our MAYOR .He will be a mayor who is for the city !

COMMENTS & ADDITIONAL NOTES

As a lifelong resident of Huntington Beach and a voter, I urge you to support a no confidence vote on Tito Ortiz. Mr. Ortiz is an embarrassment to our community and does not deserve to represent us as Mayor Pro Tem.

Mr. Ortiz continues to push untrue and dangerous conspiracy theories that hurt people and makes our city look like a joke. Additionally, he claims to support local business, yet attacks Huntington Beach institutions when they hurt his feelings by asking him to wear a mask.

Mr. Ortiz clearly suffers from severe intellectual and emotional deficiencies and does not possess the mental ability or maturity to perform the duties of Mayor Pro Tem.

COMMENTS & ADDITIONAL NOTES

I support Mayor Carr as well as Council Members Posey and Kalmick in their actions to push for a vote of no confidence on current Mayor Pro-Tem Ortiz. I do not agree with the actions of Mayor Pro Tem Ortiz, especially his attack of local Huntington Beach businesses. This pandemic is especially hard on local businesses and our city council should be doing whatever they can to uplift local businesses, not put them down. This shows that Mayor Pro Tem Ortiz does not have the professionalism, nor the respect for our city to continue in his role. Thus, I strongly urge the council to not only vote no confidence on Mr. Ortiz, but also remove him from his current position. I strongly recommend another fill his position, specifically Erik Peterson. Thank you for listening and please keep what is best for Huntington Beach citizens.

Hello Mayor Carr,

I am 100% in SUPPORT of the upcoming NO Confidence Vote for Tito Ortiz.

I urge you and your fellow council member to remove Mr. Ortiz from the Mayor Pro Temp position.

I would be happier if he was removed from City Council all together.

Much appreciation,
Alice Toth

27 year resident of Huntington Beach, Homeowner and HB Business Owner.

Dear HB City Council,

I am writing to tell you I do NOT support your recall of Tito Ortiz or joining in the CCE.

Tito represents traditional Huntington Beach values and has overwhelming majority of votes from the tax paying citizens of Huntington Beach. Do not use your liberal agenda to remove him so that you can do as you wish.

Subject: I support the vote of NO CONFIDENCE

To the City Council of Huntington Beach,
I am sending this email in support of a vote of NO CONFIDENCE, in Mayor Pro Tem Tito Ortiz.

As a city official in a leadership role the words and actions of Mr Ortiz clearly display a lack of knowledge, understanding and ability to be a leader in the Huntington Beach community. Quite frankly he should not hold any office.

His most recent action at a local establishment "railing" against TK Burgers "mask policy" showed his complete lack of knowledge of the CALIFORNIA dining mask policies. I have included a link here to distribute to your team;

<https://covid19.ca.gov/masks-and-ppe/>

Lastly, as a Huntington Beach resident it is the continued words and actions of Mr Ortiz, and the people that follow the same philosophies as him that keep me away from the downtown area. I do not feel it is safe to visit this area to dine or shop.

I always enjoyed riding my cruiser to the downtown area to eat, by gifts or just partake in a happy hour. This is no longer the case and until the angry agro, defensive atmosphere is cleared from the downtown area I will not return.

Thank you for reviewing my email in support of the NO CONFIDENCE vote of Mayor Pro Tem Tito Ortiz.

Masks

Last updated January 20, 2021 at 4:40 PM

Masks prevent people from getting and spreading COVID-19. Every Californian must wear a mask or face covering when outside of their home, with limited exceptions. Read more in the [expanded mask guidance](#).

On this page you will find:

- [How masks help stop the spread](#)
- [Mask wearing exceptions](#)
- [How to wear a mask](#)
- [Choosing a mask](#)
- [Questions and answers](#)

How masks help stop the spread

Coronavirus spreads when an infected person coughs, sneezes, sings, talks, or breathes within 6 feet of others. You may have the virus and spread it even if you feel well.

To prevent infection, you must cover your nose and mouth when outside your home. [Wearing a mask is now required statewide](#). It can slow the spread of COVID-19 by limiting the release of virus

How to wear a mask

Don't wear your mask under your nose or just on your chin. A mask is only effective if it covers both ways you breathe.

How to Wear A Mask

Wear a mask correctly and **consistently** for the best protection.

- Choose a mask that covers your nose and mouth, goes under your chin, and fits snugly against the sides of your face
- Wash your hands before putting on a mask
 - Do not touch the mask when wearing it

The CDC has more information about [how to wear masks](#).

Choosing a mask

Most people should wear a cloth mask or face covering.

- Wear a mask with two or more layers of washable, breathable fabric.
- Do not wear masks intended for healthcare workers, like an N95 respirator.
- CDC does not recommend the use of face shields. They're still evaluating them and their effectiveness is unknown.

This is a manufactured disposable mask, often used in surgery. Medical personnel wear them for protection against fluid splashes.

Some non-medical workers also wear surgical masks for disposability and fluid protection. They include those who work in:

- Manufacturing
- Food processing
- Community/social services
- Social work
- In-home day care
- Law enforcement/public safety
- Schools

Don't buy surgical masks for personal use. They are part of PPE needed by medical professionals.

Use and care: Start with a new mask every day. Replace and dispose of it according to your workplace guidelines.

Where to find: If you are in one of the above industries, your employer must provide masks at work. If you're a frontline employer and need to order them for your workers, see [how to get PPE](#).

N95 respirator mask

How should I care for a cloth mask or face covering?

Are face shields acceptable as face coverings to prevent spread of COVID-19?

Should I wear a mask on public transportation and at transportation hubs?

Is there any proof that masks are effective in preventing coronavirus infection?

Please strongly consider removing Mr. Ortiz as Mayor Pro Tem. As a healthcare worker living in Huntington Beach, it's very distressing to see his reckless disregard in relation to the seriousness of COVID-19. Since we especially live in a community with anti-maskers, it's important from a health care perspective that City Council members provide a good role model regardless of personal beliefs. The safety of the community must come first. He's not only an embarrassment to our city but a hazard to the health and well-being of every resident in HB regardless of political party. Thank you for your time.

Dear HB City Council Members,

Please consider a vote of No Confidence for Tito Ortiz.

We are concerned that our city is now the laughing stock of California, and in fact the nation. We even have friends in Europe who have asked us about what is happening to our city. While Tito Ortiz is not fully responsible for this degrading reputation, we have no confidence that he is capable of working to repair it. If we expect tourism dollars to return once Covid diminishes, we need to repair our city's reputation and understand how to attract visitors. We don't feel Tito Ortiz has that skill set. As long time residents of HB, we are abundantly concerned.

Thank you for representing our city and it's future.

Hello members, I am a relatively new resident to the city, moving from another city in the state last year. I voted here in this election, and was quite surprised when Tito took the lead. Having followed along, I watched as Tito denounced mask wearing, referred to the pandemic as a "plandemic", have confrontations with members of the public and journalists, and in my opinion contributed to making Huntington Beach the laughing stock of southern California. I've watched Tito engage in QAnon conspiracies, the same ones that resulted in insurrection at the Capitol. And I even watched Tito sit in his car as he refused to wear a mask to your own council meeting. Frankly, it's embarrassing. It makes me shake my head in shame of this city and I encourage all 7 of you to vote for no confidence. Yes, I said 7.

Huntington Beach City Council:

As a Huntington Beach resident, I urge the council members to vote in order to remove Tito Ortiz as mayor pro tem. He has shown unprecedented levels of unprofessionalism as a public servant and is unfit to serve our community. Councilmember Ortiz does not uphold our community's values. For example, by refusing to wear a mask in public spaces, he puts small businesses at risk, as allowing the spread of COVID will extend lockdowns and economic hardships. It is embarrassing to our entire city that, just a few days ago, he posted a photo of himself celebrating his birthday in Las Vegas without a mask on social media.

No one who believes that COVID-19 is a conspiracy is fit to decide how the pandemic should be handled in our city. And certainly no one who refuses to accept that Biden won the presidency by fair elections should be in any position of power. Ortiz is a self-proclaimed QAnon supporter, and simply does not listen to the facts. If the Council does not vote to remove Ortiz from this position, it will prove to our community that it does not believe in public health and wellbeing, upholding fair election results, or fact-based reasoning.

Any member who votes to let Ortiz maintain his position should not expect to have my vote in any future election. And as a student organizer, I believe it is in everyone's best political interest to make the right choice.

Stay Safe and Mask Up,
Alyssa Petelo

His association with QAnon, his refusal to wear a mask in public areas defying City & State mandates imposed to protect the vulnerable and his refusal to reaffirm American and Democratic Principles and Practices leave the Council no other choice. Not only is he willing to not follow rules created to make his fellow zip coders safe, he is also easy to anger and call out local businesses for following CDC guidelines that are in place beyond their control and also help them keep their business alive. I find having him part of our city council embarrassing, disgraceful, and overall detrimental to the already on blast reputation of our beautiful city of HB.

Dear Council Members,

I just became aware of the ridiculous agenda item regarding Council Member Ortiz. I am writing to you, for my first time ever, to voice my support for Mr. Ortiz. I have lived here my entire life (a fellow Oiler, although not at the same time), and I am quite disappointed in the direction this once great city has taken in the past 10 years. Namely since the severe overbuilding and complete mis-management of our city began. The city council needs to severely make a change in their policies, procedures and politics, and also needs to remove our city manager ASAP. We do not want to live in Santa Monica, stop trying to make us look like it.

I support Mr. Ortiz and Mr. Peterson... the only council members that appear to actually care about this city. Why don't you focus on trying to fix the MANY problems that this city has versus wasting time on this ridiculousness. And while we are on the topic... Stick to local issues.

You may have been a top three or four finisher, but you are not connecting with the citizens. You are not our moral authority.

Keep our city safe, work on finding ways to open businesses, fix the pension mess, fix the homeless problem, and so much more. We don't need mommy and daddy to tell Tito, and us, that we've been naughty.

And keep your nose out of the State and National politics. You have enough problems right here at home. If you can't do that, we will gladly start the recall process and I'll do all I can to help. Just think, those same 42,000 people who voted for Tito can vote you out.

Council Member Kalmick,

Belated congratulations to your election to the Huntington Beach City Council. As a 7 year member of the HB Planning Commission and with family ties to city governance, you bring experience to our city council.

You have co-sponsored a proposal on the 2/1/21 HBCC agenda that asks for a vote of no confidence and removal of mayor pro tem title from Council Member Tito Ortiz. I think it is premature and divisive to propose and vote for this action. Is 3 months a reasonable amount of time to judge Mr. Ortiz' commitment and abilities? Council Member Ortiz has very little experience with the protocols of city hall but demonstrates the desire to improve, promote, and maintain his home town of Huntington Beach.

The 1st amendment of the US Constitution guarantees the freedom of speech. Individuals whose opinions/actions differ from ours should not be "cancelled". Huntington Beach voters knew Tito Ortiz' platform and personal beliefs and still voted for him. In fact, he was elected to a seat on the City Council by the most votes in Huntington Beach history. Removing Council Member Ortiz' title of mayor pro tem will cause a veil of no confidence over this year's city council's decisions. Who benefits from this proposal? Who will be the mayor pro tem? You?

The HBCC is a non-partisan governing body that requires consensus to govern our city. How can you accomplish this when a mere three months into this new council, you propose such divisive action? Is these the start of a terrible precedent and slippery?

Please give Tito Ortiz a chance. Rescind this proposal

Dear Mr. Posey,

As a resident of Huntington Beach having moved here in 1961 and a former business owner in HB of Huntington Beach Nissan and Beach Hyundai, I am very disappointed in the attacks by the certain council members on Tito Ortiz. I have been a friend of the city for many years. Within the last couple of years I have served as the treasurer for the HB dealers association and helped direct thousands of dollars to many charitable organizations within the city. I have met you on a few occasions at different functions. With that said in the last election I voted for you as well as Mr. Ortiz. I am now rethinking my vote for you. As a staunch Republican and conservative I, and my family, friends and many neighbors share the same views as Mr. Ortiz. I am sick of so called Republicans backstabbing and not supporting each other. We all know the political climate we live in. I thought at least in my city we would hold the line. I believe that Mr. Ortiz was duly elected by the people of H.B. and should serve out his term free of attacks by other council members. I assure you that the council is losing support in the general business community as well as the public at large. You all need to remember YOU CAN BE VOTED OUT. Please don't take this as a threat or ramblings of someone who does not know what the climate is in the city. I just hope you all do your jobs without undue outside influences.

Respectfully,

To whom it may concern,

I am writing to advocate for the immediate removal of Tito Ortiz as mayor pro-tem. He is a danger to the city of Huntington Beach, and the entire county. He is an openly and unapologetic, racist misogynist. Due to his history of racism and domestic violence, Huntington Beach is no longer a safe place for women or people of color. A person with this disposition has NO business holding public office, and the more his power can be limited, the better. The fact that he was given this position is frankly despicable, and I will be greatly considering this choice when Huntington Beach city council incumbents want my vote next election cycle. Don't forget, you work for us, if you value your position, I highly suggest you listen to your constituents, because we are outraged. Fix this.

Subject: Consideration of A No Confidence Vote in MPT Ortiz

Dear Members of the City Council:

I am in favor of the recommended action of a vote of no confidence in Tito Ortiz and the removal of his current position as Mayor Pro Tem.

Ortiz has **not** demonstrated that he has the best interest of the residents, businesses, or the city at large in mind, but rather his own interests. He has not displayed any knowledge of what the position of a City Council Member holds and seems to whine a lot when he is educated on City matters and City Council protocols (the whining is from my personal observations). Not a great trademark a representative for the City of Huntington Beach.

I commend Mayor Karr and Council Members Posey and Kalmick for bringing this as an agenda item at the meeting of February 1.

I look forward to unanimous votes for recommended actions 1 and 2, and I look forward to seeing a new Mayor Pro Tem voted into the Huntington Beach City Council.

Thank you for your time. (And, yes, I know Ortiz is copied in this email; I am not afraid of bullies.)

Respectfully,
Regina M. Blankenhorn

Council Member Posey,

I am dismayed to see the proposal that you co-authored on the 2/1/21 HBCC agenda. The proposal for a no confidence vote and removal of mayor pro tem title for Council Member Ortiz seems very premature. As the more experienced and knowledgeable council member, I would have expected you to mentor and guide Council Member Ortiz into his role of mayor pro temp and council member. Please reconsider this proposal.

As you know Tito Ortiz has huge support of the voters of Huntington Beach. Also, I know I'm not telling you anything surprising but partisan politics has been interjected into this action. Many community forums on social media are labeling this proposal as part of the "cancel culture" of conservative thoughts. I certainly do not agree with all of Mr. Ortiz' beliefs nor condone some of his behavior but I think he deserves more than 3 months to prove he's capable of leading our city.

The HBCC is a non-partisan governing body that requires consensus to improve, maintain, and make positive changes in our city. How can you accomplish this when a mere 3 months into this new council, you propose such divisive action? Is these the start of a terrible precedent and slippery.

Please give Tito Ortiz a chance. Rescind this proposal.

Hello.

I am writing to you with the utmost conviction to urge a no confidence vote and removal Tito Ortiz from his position as pro-tem mayor of Huntington Beach.

I am unclear how many celebrities-as-politicians we need before the lesson will be learned that they are unqualified and in worst cases, incredibly destructive.

As I have watched Tito for nearly 15 years conduct himself in positions of celebrity and power, I have been appalled by his lack of maturity, his uncontrollable temper, his destructive ego, his misogyny and as of late, his white supremacist attitudes.

Most recently he was seen arguing, demeaning and devaluing two black female activists who were respectfully dialoguing with him about the Black Lives Matter movement and their desire to have a better quality of life in Huntington Beach. The intense misogynoir was appalling.

Aside from all of that, at a minimum, he is terribly unqualified.

Sincerely,
Dr. Ali Anderson

I fully support Tito Ortiz and his position in city council as well as Mayor-pro-Tem we as a large number of the Huntington Beach Community voted for him because we believe in him. He has lived here his entire life and actually cares about what happens to the city and it's residents!! I believe this is a smear campaign aimed at Tito to besmirch his name, all because the now current Mayor cannot control him. He wants to work for us his "constituents" he has no special interest and as far as I can see many on council have questionable morals when it come to special interests!! We support him and his choice as a healthy person to not wear a mask especially when the council sit more than six feet apart!! Not to mention there has been no issue to date with Eric Peterson choosing not to wear a mask!! This is uncalled for and shows that this is about control and jealousy. We want Tito Ortiz representative of the people, free thinking, family oriented, and all that use critical thinking in our City Of Huntington Beach.

Agenda Item No.: 23 (21-102)

Dear Mayor Carr and Council Members,

I am writing in support of Agenda Item 23 Consideration of a No Confidence Vote in Mayor Pro Tem Tito Ortiz, and Removing him from the Mayor Pro Tem Leadership.

During both my terms as Mayor I worked full time and relied on the Mayor Pro Tem to attend meetings and other events I was unable to attend due to my work schedule.

Unfortunately, because Mr. Ortiz refuses to wear a mask, he is unable to participate in the duties the office requires. If he attempts to do so he puts our staff and residents at risk due to his refusal to simply wear a mask during this pandemic.

Not only does he refuse to wear a mask, he used social media to criticize a local small business for refusing to serve him because he wouldn't wear one. At the very least, the Mayor Pro Tem should support our local mom and pop businesses during these challenging economic times. Instead, Mr. Ortiz used his position and his notoriety in an attempt to harm a long time popular business in our community.

The people of Huntington Beach deserve more from their elected leaders.

As of January 28, 2021 according to the Orange County Health Care Agency, the Covid-19 virus has infected 9,324 people in the city of Huntington Beach, and has cost 2,868 people in Orange County their lives. Johns Hopkins reports this virus has killed 434,126 people in the US. During his comments when he accepted the position of Mayor Pro Tem, Mr. Ortiz, with a smirk on his face, referred to the current pandemic as a "plandemic" and chuckled as if a health crisis that has killed hundreds of thousands of Americans is some kind of a joke. A man who jokes about something that has killed so many of his fellow citizens does not deserve a leadership position on our City Council.

The voters of the city elected Mr. Ortiz to the City Council, but they did not select him to be Mayor Pro Tem. The members of the our City Council appointed Mr. Ortiz as Mayor Pro Tem. Since he is not doing what is required of him in this position, the council has every right to remove him and replace him with someone who can and will. I urge you to do just that.

Sincerely,

Connie Boardman

Good morning,

I am a long time resident of the City of Huntington Beach. I am appalled at the behavior of Tito Ortiz. I have numerous reasons for this e-mail, but I will use TK Burgers as an example. Tito does not like to wear a mask, I've seen him in Cool King intimidating the employees there too. TK Burgers does so much for the Community and our schools. I can't tell you how many school fundraisers I've been to and there's TK Burger. I am a small business owner and I am highly offended that Tito advised his followers not to go there. What privilege. I would like to urge a vote of no confidence, remove Tito Ortiz from this position and his council spot if possible, and I would like to propose Natalie Moser as Mayor Pro Tem.

I'm writing to all members today to express my extreme disappointment in the motion put forth by councilmembers D Kalmick, K Carr, and M Posey. This need for constant "virtue signaling" and cancelling of people or businesses is beyond tiresome and completely divisive among community members. You all were elected to manage city business to the benefit of all the citizens and businesses of this community. These never-ending finger pointing and name-calling behaviors are a complete waste of your time as you, basically, report for work.

Please move on to your elected duties. The citizens of this community do not need nor want your opinions of other councilmembers' off duty behavior. We are smart enough to voice our complaints ourselves through personal communications and/or the ballot box.

Respectfully,
Frances Burrus

Know that there are many of us standing with you and opposing this and other attempts at personal destruction. Here is a letter I wrote to the OC Register:

"Most councilmembers in most cities represent, not the average citizen, but the special interests who fund their campaigns to gain access to your wallet.
So it is in Huntington Beach where people like Tito Ortiz and Erik Peterson, who do represent the average citizen are targeted with the politics of personal destruction by the representatives of the special interest groups. This, not mask wearing or non mask wearing, is what is behind the move to strip Tito of his Mayor Pro Tem title.
People, if you value your wallets at all, you need to stand with the few councilmembers who stand for your interests."

I have also emailed the whole council with individual emails to Mike Posey and Barbara Delgeize. Let me know if there is anything else we can do to help.

Notes

I am a 57 woman who raised 2 kids in HB. I have been here for over 30 years. I cannot express my disappointment in Tito Ortiz being elected and what he has been doing in the name of a HB government official. His no mask stance and then trying to ruin a business for not serving him due to not wearing a mask, is disgraceful. Even his own supporters turned on him after the TK Burger incident. He literally tried to ruin a business for not bowing down to his ridiculous and disrespectful behavior. A government official went on social media with the specific goal to ruin a business. Do you understand how ludicrous that sounds? I surely hope you do the right thing and have him removed. He uses fear and intimidation to get his way without any thought of the consequences of his actions. And everybody knows he only apologized at the urging of council members and his people. He still stands by what he did. Please do the right thing and remove him.

Huntington Beach should be a haven for inclusion, positivity and enhancement of all lives. Tito Ortiz has attempted to divide our great city and pit citizen against citizen in the name of misguided personal freedoms. I strongly recommend a vote of no confidence in Mayor Pro Tem Tito Ortiz, and thus removing the Mayor Pro Tem Leadership Role.

We voted for Tito Ortiz and want him to continue in his leadership role as Mayor Pro-Tem. January 28, 2021 Hello Oliver Chi and all Council Members I met you (Patricia) at a city open house the week before you became our Huntington Beach, City Manager. I was glad to meet you at that event. I thought, okay you are young, with lots of energy and would be a breath of fresh air to bring our city into the future. My husband and me have lived in HB from 41 to 46 years. A huge part of our adult lives. We have been waiting to see our city council members to be more youthful and younger with ideas to bring our city forward. We voted for Tito Ortiz knowing that he is honest, hardworking, a member of our HB community and is a supporter of our community. He protected our community when Antifa and Black Lives Matter were here to destroy our downtown summer of 2020. We have also observed him conducting volunteer work in our community. Tito has integrity. We are reading that HB city council members Kim Carr, Mike Posey and Dan Kalmick are working to remove Mr. Ortiz from his upcoming leadership role as Mayor Pro-Tem. We have full confidence in his ability to lead. As long time members of the community we implore you to keep Tito Ortiz in his upcoming role as Mayor Pro-Tem. We need him. Our city members voted him in, obviously he received the most votes out of all prospective council members. Do the right thing. Keep Tito as Mayor Pro-Tem. We know which council members are legitimate and which are not. Patricia and Dennis Pappas 714 842-6917

I'm appalled that Councilmembers are trying to recall mayor Pro Tem, Tito Ortiz, for his refusal to wear a mask. Dr. Fauci was quoted in March of 2020 saying masks don't really work. I myself refuse to wear a mask. They are being used to quiet us and keep us submissive like a dog with a muzzle. Mayor Pro Tem Tito Ortiz is highly respected and if he is recalled you will have many angry supporters. This "cancel culture" mentality is destroying any hope of Americans uniting. Let people be free to make their own choices. Stop this path to communism because that's where this great country is heading. Leave Mayor Pro Tem Tito Ortiz alone!!!

Meeting Monday to remove Tito Ortiz as mayor pro tem. I was listening to the radio and was informed there is a meeting to remove Tito Ortiz as mayor pro tem because he does not wear a mask. I am a Huntington Beach resident and have been for over 30 years. I don't think you know your constituents. Huntington Beach residents do not believe in mandated mask wearing. Maybe you need to move to Costa Mesa and follow Katrina Foley. Huntington Beach believes in freedom of choice. Rethink your meeting and removing Mr. Ortiz title - did you not know he received the most votes in Huntington Beach. The goal of each resident will be to remove each and every council member who backs this ridiculous action.

I am asking you to please vote NO on agenda items 21-085 & agenda item 21-102. Tito Ortiz was elected to the city council by the greatest number of voters in HB history. He was not backed by any special interest groups such as the realtors who always find a way to make money off the city council decisions. He is responsible to the citizens of HB and not to the council members who do not like his demeanor. The voters of HB will look long and hard at the council members who are looking for re-election and think twice about individuals who are only there to line their pockets.

I oppose the motion to strip Tito Ortiz of his position as Mayor Pro Tem. I consider the reasons given for this proposed action to be inadequate and the action to be divisive and an example of the politics of personal destruction more at home at Ocean View School District.

Dear HB Council Members ,

I am writing to tell you I do NOT support your recall of Tito Ortiz or joining in the CCE.

Tito represents traditional Huntington Beach values and has overwhelming majority of votes from the tax paying citizens of Huntington Beach. Do not use your liberal agenda to remove him so that you can do as you wish.

Do NOT join the CCE with Irvine.

Thank you,

Sherry Kennedy
HB Resident & Tax Payer

Of Huntington Beach

Re: Tito Ortiz No Confidence Vote

I was happy to hear that the City Council is taking action to remove Tito Ortiz as Mayor Pro Tem and issuing a vote of no confidence. His behavior in attacking the long time Huntington Beach restaurant TK Burgers is just one more in a long line of reasons that Mr. Ortiz should not be representing Huntington Beach in any manner. For Mr. Ortiz to attack and suggest that others should no longer frequent a beloved restaurant during this pandemic when restaurants are struggling just shows how ill fitted he is for this job.

In addition, his failure to not only wear a mask but suggest that others should not wear masks while people are dying during this pandemic is horrifying. I saw video of him putting his unmasked face in cars of poor people who needed food. How awful for them to have to expose themselves to his germs when they are already in such a vulnerable position needing food. When he was forced to leave this and other locations for his behavior, he posts crazy talk about how unfairly he is treated.

I have seen him in photos and videos with people who have been arrested for the attack on the Capitol. His behavior is not what we need in Huntington Beach.

We have spent a lot of money getting Huntington Beach to be known as Surf City. Now we are becoming known as Trump City or the city where all the crazy unmasked people go to protest. We need to discourage this crazy behavior. My friends no longer want to meet me in Huntington Beach because of what they see on the news about us. My son will no longer allow me to take my grandson to the pier for fear of violence. I have been yelled at on many occasions by these people because I wear a mask. We need the crazy to stop and let it begin with taking a stand against Tito Ortiz behavior and removing him as Mayor pro tem and hopefully from the city council.

Thank you for addressing this issue. It gives me hope that Huntington Beach is still the best place to live in Orange County. I have been a resident of Huntington Beach for more than 35 years and a resident of Orange County for more than 50 years.

Thank you,

Mary Brady

Dear Council Members

I am writing to you as my city representatives regarding the upcoming Agenda 23 item on Monday's agenda.

I support this measure as I and many others in our City are becoming increasingly alarmed by Councilman Ortiz behavior.

Not supporting masking at this time in our Country when fellow citizens are dying at alarming rates is unacceptable.

Further, councilpersons have a platform to promote issues. To think that Councilman Oriz would stand in front of a local business and send a TWEET about the business for not letting him in because he refused to wear a mask is nothing less than disgusting.

He is no longer fit to represent this City and I support his removal as Mayor Pro Tem

Good afternoon Mayor Carr,

I am writing to let you know of my support to remove Tito Ortiz as Mayor Pro Tem. His anti-mask policy and disinformation are dangerous and not a good look for our city.

His video regarding TK Burger was ridiculous and bad for their business. I'm glad I saw it so I was able to go support TK Burger with a delicious lunch for my family. Tito is just bad for HB.

Wishing you the best,

Judi Mantere

Subject: Please remove Mr. Ortiz as Mayor Pro Tem

Dr. Ms. Delgleize-

I'm writing to address Council Member Tito Ortiz. I am in favor of voting Mr. Ortiz as no confidence as Mayor Pro Tem for Huntington Beach.

I have been a resident of this city for nearly 20 years. I have never felt so much division amongst community members as I have this past year. With this pandemic, I find that wearing masks is a demonstration and easily visible manner of saying to each other that I care about you and your health.

Recently I have read one too many stories in which Mr. Ortiz defies wearing a mask. If nothing else, abiding by the mask mandate shows a commitment to the community. I haven't seen this from Mr. Ortiz. I just see defiance. Perhaps as an ordinary citizen that may have been forgiven but as a government official that models behavior, I find this unacceptable. This doesn't help unify our community, it divides it more.

On top of the defiance of the mask order, I have read that Mr. Ortiz publicly on his personal Instagram page tried to sully the name of a local institution called TK Burger. This is a small business that is struggling to survive like many other small businesses. I think Mr. Ortiz put this restaurant in a really awkward and possibly damaging position by him posting his rant on Instagram about the restaurant. Besides, the restaurant workers were merely trying to enforce a mask order. This isn't the kind of behavior I want to see from a leader of the community. It shows recklessness, selfishness, and petty grudges.

Please remove Mr. Ortiz from as Mayor Pro Tem and replace him with someone that will actually keep the safety and prosperity of our community in mind.

Thank you for your consideration,
Kandice Murray
