

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: SENIOR LIBRARIAN

PERSONNEL COMMISSION APPROVAL: FEBRUARY 17, 2021 (Revised)
COUNCIL APPROVAL: JULY, 1993

JOB CODE: 0077
EMPLOYMENT STATUS: REGULAR FULL-TIME
UNIT REPRESENTATION: MEO
FLSA STATUS: EXEMPT
EEOC CODE: PROFESSIONAL

JOB SUMMARY

Under general supervision, performs specialized professional library work pertaining to a specific division of the library.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Community Services Manager, or as designated by Director of Community & Library Services

Supervises: Professional and clerical library staff and volunteers

DISTINGUISHING CHARACTERISTICS

Senior Librarian is an advanced journey-level position. The position is distinguished from the Librarian classification by the level of responsibility assumed, the supervisory responsibilities, and the complexity of the duties assigned. The position is distinguished from the Principal Librarian classification in that the Principal Librarian exercises managerial authority over all library personnel and functions while the Senior Librarian is responsible for the work activities of a specific division/area.

EXAMPLES OF ESSENTIAL DUTIES

- Plans, organizes and supervises a division/area of the library; prepares work schedules of personnel and volunteers; supervises staff, evaluates performance, and recommends personnel actions;
- Acquires and makes available for public use informational materials in all formats (e.g. print, electronic and digital);
- Coordinates and oversees the classification and cataloging of library materials, working with vendors and staff to utilize computerized systems and technology tools;
- Implements and maintains automated information systems, such as the Library's integrated system and patron database, as well as other electronic resources and

- databases, both on site and remotely available;
 - Interacts with the vendors and suppliers to assess and analyze workflow in support of direct customer service;
 - Participates with other managers in strategic planning and other organizational development efforts in the library and the City;
 - Serves as liaison to other service areas and departments on issues involving shared services, technology and web-based services;
 - Coordinates the library's web and social media presence; works with other library entities to maintain a positive and effective presence in the virtual community;
 - Orders books, e resources and other materials in accordance with informational needs of the community and requests of readers; maintains library collections;
 - Maintains statistical data and other records; prepares statistical and written reports including budget information;
 - Monitors and controls budget expenditures for assigned division; selects and recommends purchase of equipment, services, materials, and supplies;
 - Develops and prepares grant applications for library programs, services, and materials;
 - Assists in departmental public relations activities; coordinates with library support groups and volunteers in fundraising activities; coordinates tours, video programming on projects and other activities with schools and community groups;
 - Attends professional training to stay abreast of industry best practices;
 - Reports to work as scheduled and works a variety of schedules including evenings, weekends and holidays as required;
 - Maintains a regular and consistent attendance record;
 - Travels to offsite locations within and outside the City;
- Performs other related duties as required.

The preceding duties have been provided as examples of the essential types of work performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Knowledge of:

- Theories, principles and practices of library and information science
- Trends and developments in the field of library and information science
- Automated library information systems, software and equipment usage

CITY OF HUNTINGTON BEACH
