How will your qualifications best serve the citizen advisory group that you are applying for, and why do you wish to serve on this group? *

As a homeowner for more than 2 decades, I can understand and appreciate the concerns of homeowners, including those residing in mobile homes. It's imperative to recognize any and all homeowners rights as well as issues related to their specific needs. I am passionate when it comes to civic service having been with the CERT for 20 years and intend to continue.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.

Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.
