

Application for Appointment to a Citizen Commission, Board, Committee, or Task Force

Page 1

Thank you for your interest in applying to serve on a Huntington Beach citizen advisory body!

Members of the City's boards, commissions, committees, or task forces serve four-year terms with a two-term limit. Appointment to a City advisory body is at the City Council's discretion. In addition, all appointed members must be United States citizens, residents of Huntington Beach during the appointment process and term, and may not hold more than one advisory group membership at the same time. Specific definitions of the role and purpose of these advisory groups are defined in Chapter 2.100 (Operating Policy for Boards and Commissions) of the City's Municipal Code.

A BOARD is a body of members appointed by the City Council pursuant to City Charter Section 405 to serve in a continuing advisory capacity to the City Council.

A COMMISSION is a body of members appointed by the City Council pursuant to City Charter Section 405 that may have decision-making authority over those activities delegated to them by the City Council.

A COMMITTEE is a body of members appointed by the City Council pursuant to City Charter Section 405 on an ad hoc basis to advise the City Council on a particular matter.

To assist you in selecting a citizen body that would be compatible with your interests and qualifications, a description of each body is available on [the City's Boards and Commissions page](#).

IMPORTANT NOTICE: Before applying, please acknowledge the following:

- All Council appointed commission, board, and committee members are required bi-annually to take harassment training and two hours of ethics training.

How will your qualifications best serve the citizen advisory group that you are applying for, and why do you wish to serve on this group? *

Currently this Board is not functioning with a full representative membership as outlined in its bylaws. It is a 9 member board with three independent representatives from the community, three representatives who live in Huntington Beach mobile home parks and three representatives of mobile home community owners. It is unfair to have this Board operate without proper representation. I previously served on the committee and would like to volunteer to serve again so that there is adequate representation for all sides in the matters discussed.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.

Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.
