Thank you.

Honorable City Council Members,

You have a responsibility to honor the people's vote. In last November's election, Gracey Van Der Mark was the 1st runner up in the city council election. She is the person who deserves to fill the open seat on the city council and serve the remaining term. As a longtime resident of Huntington Beach, myself and thousands of people across this country will be watching to see if the council respects the vote of the people.

On Tuesday 6/1, Councilman Tito Ortiz resigned from city council, Our city charter calls for the vacancy to be "appointed by the current city council". Section 312(a) of the City Charter reads, "A vacancy in the City Council or in any other office designated as elective by this Charter, from whatever cause arising, shall be filled by appointment by the City Council."

I firmly believe that this appointment belongs to the **1st runner up** in the election, **Gracey Van Der Mark**, after **earning 23,365 votes**....and she did it the "old fashion" way, walking miles and miles, knocking on doors and earning those votes.

What a Travesty, a total misuse of power! You can partly make up for your disgusting past by appointing the only person who fairly should be the replacement seat on the council. Gracy Van Der Mark.

Notes

There is a procedure for placing a person on the city council by the number of votes given to them by the electorate. If we as a city government are going to skirt that procedure then there would be no reason to even hold an election. The first three places were honored by the voters. The fourth place person should be next in line to fill a vacancy regardless of how that vacancy came about. If in the next election we don't like a person who placed 1,2 or 3, we can just go around and choose which person we do like. The citizens of HB can work just as hard to un-seat a member of the city council as we do to put a member on it. I think the council members should think about this when it comes time for them to be re-elected. Gracey VanDer Mark was given the next qualifying number of votes regardless of how you or I feel about that person. So when it comes to your decision, she is the one to replace the vacancy that was vacated by Tito Ortis.

From: Mary L. Kimpton <mlkimpton@yahoo.com>
Sent: Thursday, June 3, 2021 6:55 AM
To: CITY COUNCIL <city.council@surfcity-hb.org>
Subject: Dom Jones for HB City Council...here's why..

Hello to the HB CC,

This is why I deeply desire as a 39 year HB resident, for Dom Jones to be appointed to City Council to fill the current vacancy. What you all must understand, is this: the simple fact that she hasn't run or been around you all for a very long time is not reason to keep her from office.

The truth is, that this is her time to rise and do what God has sent her to this earth to do, which is to unite all people. She is beyond capable of that and mesmerized everyone she meets with who she is and her deeply loving way. She has literally changed my life and countless many others and Huntington Beach needs her desperately. Dom sees people's souls in a way noone I know can or does.

What you you may not understand about her, is that she is who will help you shift the entire cities energy. I respect Oscar, however despite his time in running before, he is younger, has less life wisdom and Dom has lived and is extremely diplomatic. Dom is not for just one community and we here in Huntington Beach KNOW THIS. This is why she has our vote and at least 20 other people I know, and that's just in my immediate friend circle!

We are business owners, lawyers, doctors, nurses, home owners, retirees and stay at home mothers. We want Dom because she allows Huntington Beach residents across all socioeconomic statuses to feel important, loved and honored. Whether we are white, Latino, black, asian or anything else. I never thought I'd vote for a Democrat. However, by knowing and seeing Dom work, I've decided I will change my voting style to Democratic. She has that kind of ability to change hearts and minds! I can tell you now, I know multiple people who are Republicans and they are changing their votes to Democrat votes and even a few are switching parties all together!! This is the type of individual that HB NEEDS very very badly.

Oscar isn't a bad person and I know he intends well. However the needs of the constituents of ALL, need to usurp personal alliances. I'm telling you now, you will be able to truly make the WHOLE city, with Dom, exactly what I know you all envision. A city that shows kindness and removes the stains of white supremacy and hate its garnered.

Furthermore, politically Dom is the smarter pick. Why? Again, I'm an example she will help you all mobilize not just 1 group but SO MANY REPUBLICANS in the city would stand with you more because of her! She is unbelievable, and if you go deep within yourselves, I think you can feel that. I leave you with the following theories and perspectives that myself along with 3 households of others have put together and brain stormed.

Not to mention all those households are Republican with 3 other Democratic families. Dom has brought us together.

Here's a question,
What would be best for the Democratic & Republican parties in HB?

Oscar goes in first lets evaluate:

1. Oscar stands for the Oakview community. Which is wonderful, as he should continue to support and be a voice to them.
2. He's aware of political things and has experience to some degree
3. He ran before
4. He has been around the party and HB a while...

Dom goes in 1st let's evaluate:

1. Dom stands for Oakview, all minorities. Latinas, African-Americans, Asians, caucasian americans and anyone who is simply HUMAN.
2. Dom may not have been heavily involved before or ran. However, she's a fast learner, unlike anything anyone has seen. She is sharp and can and will get things done. Her business has literally THRIVED through the Pandemic while the fitness industry in totality was eviscerated during the pandemic. She fought for the community to stand and keep going. She's relentless and has boundless positive energy.
3. Dom is a tried and true business owner within the HB Community. Having had an established brick and mortar for nearly 4 years and has built a communitiy of 100s and has served 1000's in her business.
4. Dom has built connections with ALL HB residents of every walk of life and background. She appeals to young and older. Everyone I know over 55 WILL vote for her and nominate her for this appointment. We all feel she has paid her dues by building so much in HB.
5. Dom spans the breadth and width of what HB needs in its government.
6. She has connections with business owners and can build stronger and healthier relationships between CC and the communitiy business owners.
7. Dom is a representation of UNITY. The ultimate person who fights to Harmonize and can actually ACHIEVE it. She's proven it. Her business is diverse and HB residents of every income level enjoy her health and wellness space.
8. Dom understands people of all income levels. She can speak to the lower income woman with a job at a department store and to a lawyer making 6 figures with the same exact respect and understanding of who they are.

9. Not all people have to go through the politically ringer in campaigns to show who they are. Dom has been within HB and working with the communtiy for over 7 years, she has PROVEN herself to the highest degree.

The BIG question:

What does Huntington Beach need NOW?

Answer: Oakview is an important community in HB and yes they need Oscar and he WILL serve them because he cares for them. Dom will even work with him and love him for what he does, because that's who she is!! She will help him lift up the communities that need help in HB

However, Oakview isn't an existential threat to Huntington Beach.

WHITE SUPREMACY is and the pain this city is under. Please don't be mistaken the city is in pain.

It is whats on the news, and what has inflicted a stain on the city NATIONALLY.

What is the antidote to that?

Dom. She is the literal antidote to what afflicts not just one community but an entire city.

Dom is so very humble and willing to help along with the council, to create the UNITY that HB so desperately needs MORE THAN ANYTHING. Which will also only help communities like Oakview and other minority and disenfranchised groups that she will inherently stand up for.

Dom is what Huntington Beach needs. When people say the name: Huntington Beach now, everyone thinks: white supremacy, hate, vitriol, rage and negativity.

Dom is LITERALLY the balm of Gilead to the pain of our home. She also loves this home, she is a property owner of multiple homes, she is who WE want standing up for us! She gets our needs because she is one of us also.

She has proven her accumen in this area, as a business owner who has brought unity already to a large group within the city.

This appointment, shouldn't be just about, who knows who. It should and it MUST be about who has the most skill, sharpness, and ability to wield more than a monolith and Dom is that to the Apex. She is fit for this position. She is fit for this time. She is fit for Huntington Beach. Regardless of not having past previous experience in running for an appointment. She has the most precious experience that exists above all: An unabiding LOVE for all and a magical and undeniable ability to bridge ALL divides, an in her beautiful way, Dom is the ultimate helper, sweet-hearted and thoughtful change-maker.

Dom is what the Democratic & Republican Party need right now in Huntington Beach. She is the answer. No matter his connections, it's not Oscar who is the answer, but Dom is beautiful. She will honor him always and that's who myself along with countless others desire by your side.

Its Dom Jones.

This is her time, and inherently that means this is our time, to unite with her.

Please be the angels that lift her to where she is meant to be, after working for so long in the city as she has.

All the Best,

M. L. Kimpton

A fair replacement would be the next top vote getter since the election was so recent. Seems reasonable to me.

Therefore, I urge you all to choose Gracey Van Der Mark as a member of the city council.

Gracey Van Der Mark received the 4th most votes in the 2020 election with 23,365 votes which is thousands of votes more than the other candidates. The voters must decide on who fills this Council vacancy.

Section 312(a) of the City Charter reads, "A vacancy in the City Council or in any other office designated as elective by this Charter, from whatever cause arising, shall be filled by appointment by the City Council." We must honor the will of the people and therefore must Honor the Vote and appoint Gracey Van Der Mark to fill this Council vacancy.

Hello,

I am a member of this community, I also served my country with honor and distinction. I am now a retired military veteran. I've traveled many places but chose Huntington Beach as my home because of what this city means to me. I write this today to heavily encourage that the vacant council seat be filled by the person that did not get voted in on the last City Council election, but had the next highest amount of votes. That person is Gracey Van Der Mark.

I feel confident that she would provide the proper balance that this council needs. She is authentic, intelligent and articulate. She values all opinions and all people. I want her to help represent Huntington Beach.

We all know what happened to Tito. The constant harrasing and taunting of him and his family should be highly condemned by this council. The persons (we all know who they are) that are mainly responsible for this harassment should be excluded from any city and any council positions and should absolutely not be appointed to fill this vacant one.

I am very proud that the city of Huntington Beach supports all people regardless of political affiliation, race, religion, ethnicity and other personal choices.

I would heavily encourage the current City Council to place Gracey in the vacant council seat.

We need balance in our City Council to fairly represent all people of this beautiful city.

Thank you for your consideration.

Dear City Councilmembers,

Tito Ortiz resigned from the HB City Council and now you need to appoint a replacement. I am urging you as a community member to consider Dom Jones.

I know Dom very well. I've spent significant time getting to know her platform and wish for the community.

Dom has the ability to unify both sides of the political spectrum. Dom can help to heal the city. She is a fitness business owner in the city with a brick & mortar location, she is black american, and her boyfriend is vietnamese american. I attended her most recent community event that also drew many Latinx and white residents. She is a unifying voice that represents a healing approach to the bifurcated angst that we've seen blow-up in HB.

Dom has real plans for action for homeless, budget, blight, business, race relations, and community services.

Most importantly, Dom is a **Servant Leader**. She is not selfish. She is not focused on one perspective. She does not have strings attached to big business. She is exactly what HB needs to replace Tito Ortiz.

Thank you!

Subject: Recent Council vacancy

I noticed with interest the recent council vacancy and would like to suggest Oscar Rodriguez as a suitable candidate for that position. Oscar has been an activist in the community for several years, most recently during the pandemic helping some of our most economically disadvantaged with food donations and vaccination clinics. He is a natural community organizer and would work towards the best interest of the city.

While many of those among my loyal opposition might suggest the 4th largest vote getter in the most recent election I would hope the council would not take their suggestion seriously. I believe that candidate has many of the same drawbacks as the recently resigned councilperson if not more and believe that person would be divisive and represent only a small portion of the electorate.

Congratulations to Councilperson Delgleize on her appointment to the Mayor Pro Tem position for the remainder of that term. I know she will do a wonderful job.

Thank you for your time and consideration of Oscar Rodriguez.

To whomever it may concern,

I am reaching out in support of Dom Jones to replace Tito Ortiz for Huntington Beach City Council. I have known Dom for quite some time now, and she is by far the best person to represent this community. She stands for unity, love, equality, and equity and it's time to have someone in our local government who is actually here for the people.

I hope you'll consider her as a candidate; we need someone to bring this community together again.

Sincerely,

It's time to reject the anti-science stance and divisiveness of the prior occupant of the City Council seat.

I support the appointment of Oscar Rodriguez to the vacant City Council seat. It is important that Huntington Beach includes a Latino member of the council to represent that otherwise underrepresented segment of our population. In addition, Mr. Rodriguez has demonstrated his dedication to the community and his ability to get along with people of different backgrounds and opinions.

I also urge you to reject the calls to appoint Gracey Van Der Mark to the seat. She is a known racist, anti-Semite, and anti-masker. We've been down that road, and it only leads to disaster.

Thank you,
Hildy Meyers

Mayor Carr and City Council members,

I want to offer my thoughts on the appointment of a new City Council member. To give a frame of reference, I did not vote for Mr. Ortiz. I did not believe he would represent my values and goals for Huntington Beach.

I do, however, feel it is important to recognize that many people in this city do not share my views. It is because of that, I feel the right thing to do is to appoint Gracey Van Der Mark. I believe this appointment will demonstrate that our council strives to represent our entire community. As the recipient of the next highest number of votes receive in the election, it also reflects the voice of Huntington Beach voters.

Thanks to you all for the many hours you dedicate to be well-informed, involved representatives of Huntington Beach. I appreciate it greatly.

Respectfully,

Lindsay DuFresne

City Council Members;

In the 2020 election the people of Huntington Beach spoke with their vote. I do not believe there should be any debate regarding the subject of replacing Tito Ortiz. Gracey Van Der Mark, by vote count, was the next in line. She should be appointed to replace Tito Ortiz. Any other choice would show the bias of the Council. We the people of Huntington Beach spoke with our vote and that should be honored.

Dear Councilmembers

Making the choice of who to replace Tito Ortiz on the Huntington Beach City Council is bound to be a very difficult decision for the council members no matter who you choose. But nonetheless you need to do it, and hopefully choose a candidate who is best qualified for the job. The last thing HB needs is a repeat of the Tito Ortiz fiasco — drawing more negative publicity on the city.

In that spirit, I would like to recommend Oscar Rodriguez as the new member of the City Council. For many years, Oscar has contributed hundreds if not thousands of hours of hard work helping the disadvantaged in our community, particularly Latinos. He has been a real hero during these worst of times, not only contributing his own hard work but encouraging others to work with him. And yet, he keeps a low-profile, which would be a welcome relief from Tito.

No matter who is appointed, there will be dissent. Please at least accept that, and go forward with appointing the best candidate, who I believe to be Oscar, rather than trying to pick one based on who will be disliked the least.

Let's go for quality, suitability, and a proven track record this time.

Hoping you can answer a few questions for me regarding the CC replacement seat for Tito Ortiz.

I understand our City Charter fairly well, however I was wondering if Council picks from a "list"? Also can any HB resident "apply" to be considered for the position, and if so how does one go about that process?

Looking forward to hearing back from you soon.

Dear Council members,

As a resident of Huntington Beach I am very concerned with the replacement chosen for Tito Ortiz. I understand that others came had more votes in the election than Oscar Rodriguez. However, Oscar would be a better council member than more individuals with philosophies aligned with Tito's.

If the city charter allows discretion, please appoint Oscar:

- 1) 20-25 % of the population of HB is Latino/Latina. Minority voices must be elevated to address equality and equity throughout HB. The face of America is changing and we need more people of color in leadership positions for a more equitable and stronger sustained city growth model.
- 2) Oscar is an active community member, who volunteers regularly, addressing food shortages for those in need. He has experience assessing and addressing the pockets of low food access for HB's low-income communities. He will apply his resourcefulness toward ALL HB residents.
- 3) The highest concentrations of poverty in HB are centered around Latino populations, with little to no Latino representation at the City leadership level to address the unique challenges that Latinos face.
- 4) In OC, less than 20% of Latino adults have an associates degree or higher. Oscar has earned an MBA and will serve as a role model to HB's Latino youth.

Oscar Rodriguez is the right person for the position.

Sincerely, Deborah Lelechuk

Dear Mayor and Council Members,

I would like to encourage you to appoint Oscar Rodriguez to fill the seat on the City Council vacated by Mr. Ortiz. As you know, he is active in the Oak View Community. He ran for City Council to give a voice to this under represented part of Huntington Beach. Oscar has earned an MBA and serves as a role model to the cities Latino youth. During the pandemic Oscar started a weekly food drive to help those in the community who were experiencing food insecurity.

The other candidate Gracey Van Der Mark on the other hand, has associated with racist and antisemitic people and organizations. Her beliefs stirred controversy while serving on the City's Finance Commission. During the Pandemic she spent her time protesting masks and disputing the outcome of the 2020 election. Her views will bring additional unwanted negative attention to our City. I think we can all agree we have had enough of that lately.

For the reasons stated above I believe Oscar Rodriguez would best represent the City and our city motto, One HB.

Thank you for your consideration.

Subject: New Council Member for HB

I am writing in regards to the new open position that Tito Ortiz has vacated, celebration to be had for sure! I understand that you are looking at both Gracey Van Der Mark and Oscar Rodriguez to take his seat. I highly recommend that you choice Oscar Rodriguez. His concern about the community is apparent. He has helped those in need during the Pandemic and still is. I believe he has the best interests of the city and will do what is right for everyone in HB. Gracey Van Der Mark seems to be about spreading lies and not for all the people.

Please choose Oscar Rodriguez for the council member to replace Tito Ortiz. Lets please not have more of what we just got rid of.

Thanks,

Dear madam/sir:

The candidates listed recently as potential replacements of Tito Ortiz on the HB City Council are woefully underqualified. I urge you to select a more capable candidate that represents our city and its common values. If possible, someone neither hardcore left or right, but experienced in city government, and who would dedicate his/her self to this position.

Subject: Appointment to fill the Vacancy of Tito Ortiz

Good afternoon Council.

I know you are discussing filling the vacancy of Tito Ortiz, so I feel it's important that we begin the conversation on the proper, fair, logical and democratic process of deciding who should fill this vacancy.

I understand what our Charter states and I understand that you can choose who fills this vacancy. We all preach democracy, equality and fairness and the truly democratic procedure would be to **Honor The Vote** and appoint the individual that received the next highest votes in the November 2020 election, regardless of who that person is.

Gracey Van Der Mark received 23,365 votes which is 1,669 votes higher than the next candidate. If you truly believe in democracy, there is no counter argument to filling the vacancy with the first runner up from an election that was just 7 months ago rather than someone you hand pick. This makes your decision easy as this is the most logical, fair and democratic way to fill this vacancy. This is essentially a full term appointment and the Will of The People needs to be respected.

The residents are frustrated, tired and feel that the majority of Council does not listen to or represent the will of the people. This is your chance to remedy that by **Honoring The Vote of The People**. Please do the right thing and respect the voters decision. Please appoint Gracey Van Der Mark to fill the vacancy.

Thank you.
