How will your qualifications best serve the citizen advisory group that you are applying for, and why do you wish to serve on this group?*

I served previously on this commission with fairness and integrity. I understand the need to update job duties as opportunities arise. I understand the importance of dealing with employee grievances and the processes that are required to follow the steps outlined in agreements with each employee unit.

It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.
