I have submitted the following letter to the HB City Council at City.Council@surfcity-hb.com

You may wish to provide them with your own opinion.

I urge the Council to fill the vacancy left by Mr. Ortiz's resignation by appointing Gracey Van Der Mark for the following reasons:

1. Gracey Van Der Mark received the next highest number of votes in the November 3, 2020 election.
2. Gracey Van Der Mark ran on a slate with Mr. Ortiz and Mr. McKeon. Replacing Mr. Ortiz with Gracey Van Der Mark would maintain the political balance established by the voters.
3. The temptation to replace Mr. Ortiz with someone aligned with Mayor Carr and Councilmembers Kalmick and Moser, thus creating a 4-3 block, should be resisted. Combined with the perception that Mr. Ortiz was harassed out of office by this same block, and the fact that the other three councilmembers would be rendered irrelevant the resultant Council would lack legitimacy in the eyes of voters. Policies enacted under these circumstances would likely be at radical odds with the will of the majority of residents. Wisdom would see this situation as in no one's interest.

I am re-submitting my letter regarding the vacant City Council seat. It appears to me, not all letters submitted from residents are included in file 21-470 titled Public Comments received 6/2-6/9 that is attached to the agenda for tonight's City Council meeting. This concerns me as I feel each resident who submits their thoughts/opinions to City Council should be heard. I do know my letter was written and received on June 2 as I did receive a generic response regarding the meeting for appointment of Mayor Pro Tem from *Robin Estanislau, CMC, City Clerk*. However, my reply requesting confirmation my email was shared with City Council regarding filling the vacant council seat went unanswered. It also concerns me that the original 100 plus letters sent to City Council are not included in the file below yet attached to the Agenda and labeled 6/2-6/9.

Mayor and City Council Members,

I understand that it is the responsibility of the City Council to fill the vacancy created by the resignation of Mr. Ortiz per Section 312 of the City Charter. I am in no way debating the validity of said charter. Rather I am writing to point out a few more items from the charter I feel are important reminders for City Council when it comes time for each of you to make a decision and the new council member is appointed.

Attachment (1) The City of Huntington Beach Organization Chart.

Please see the first bubble... "THE PEOPLE". The People is me, my adult children, family, friends and neighbors who reside in Huntington Beach. And, we, The People, participated in an election. An election in which we cast our votes as The People for our candidates of preference in a representative democracy.

It is incumbent upon those who govern and make decisions for and on behalf of the City of Huntington Beach to legally, as well as morally, abide by the provisions of this Charter, in its strictest sense, to assure the continued success and well-being of our fair City.

Tito Ortiz was overwhelmingly this town's chosen candidate and he should still be here but he was relentlessly attacked, stooping so low as to go after his kids to silence his diversity of thought. They should not be rewarded for their racist intolerance. We do not want to be controlled by dirty greed-driven politics like this which determines that only minorities who stay in line can stay on city council.

Tito Ortiz ran alongside Gracey Vandermark and Casey McKeon, both whom I know love and want to protect this town and its residents. Gracey got the fourth most votes by the thousands. Given the despicable nature of the attacks on Mr. Ortiz, his vacant seat should go to the next person with the most votes who was also his like-minded running mate. Our town rejects being led by greed, deceit and racism which appropriates skin color to get what it wants and then attacks to silence the person when it cannot own his voice. The worst thing you could do is put in a person strictly on his skin color because you do own his voice. Only an extremely racist city council would do that and we are watching what you do because your actions define you not your virtue signaling.

**SUPPLEMENTAL

Meeting Date: 6/10/2021

Agenda Item No.: 1(21-470)

I support Gracey obtaining the vacant city council seat. It should not go to wrongdoers who sought to silence Mr. Ortiz. It's time we stopped pretending that protecting greed is a virtue and call it out for what it is, especially when it behaves so despicably. Unlike them I know Gracey devotes much of her time protecting children. We need more people on this city council whose heart desire is to leave better for the next generation in this town instead of just selling it out and destroying it.

If the city council truly wants to protect the diversity of our town this empty seat should not go to someone who aligned with those who attacked Mr. Ortiz. They are the same ones who relentlessly spread lies to slander Gracey because she threatens their greed and exposes who the biggest racists in our town actually are. Evil likes to accuse others of what it itself is guilty of to turn the spotlight away from its despicable self.

There are so many good and decent people in Huntington Beach. Don't let the worst of us define us. We don't have a racism problem in HB, we have a greedy elitism problem which can't shut up about skin color while being intolerant of diversity of thought. For those who attack Latinos who step out of line what the hell do you think that makes YOU? City Council - honor the vote and give Gracey the seat she deserves or confirm that our town is run on greed and seeks to hide only behind compliant skin color which serves it. Viva diversity of thought - the REAL definition of tolerance. Tito Ortiz' haters defined themselves to be the biggest racists in our town. Don't reward them for it.

Thank you.

Honorable Commissioners.

For the sake of peace and unity, please don't drag the city through a process that will no doubt be controversial and decisive.

We had a recent election abs we should honor those results by placing Gracey Van Der Mark into the vacant City Council seat.

I understand her politics may not align with some, but differing views and opinions represent a healthy council and are reflective of our city.

We need to find better ways to come together as a city and don't need more controversy.

So please, for the sake of unity, honor the vote.

And if for some reason you can't find your way to place Gracey into the vacant seat, feel free to pick me... 🤔

All the best, Bill

Subject: City Council Appointment - My Two Cents

I know you guys are getting hundreds of emails regarding the filling of Tito's vacancy. So here are my two cents on the issue:

I think it would be great to select a qualified person that does not have baggage, we just went through that with Tito. It would be really nice to keep Huntington Beach out of the national news for a while.

I know you are getting many email for Gracey but I do not support her being appointed. While I do understand she received the next higher amount of votes. You have to remember she ran with Tito, so who knows how many votes she would have received if Tito had not run. The problem with Gracey is she does have baggage, I am sure you have all seen the pictures. If she gets appointed I am sure these pictures will resurface and could make national news. Sadly Hb still has the reputation of being a town that has many white supremacist and the pictures of her with known white supremacist is not good. We DON'T NEED THAT. So I DO NOT SUPPORT GRACEY.

Now as much as I do not agree with a lot of his stances on some issues and the city needs balance. I think Casey MeKeon would be a great choice, he is a young very smart candidate. He is a USC graduate and has worked in the community for years. His family has very long roots in HB and owns one of the oldest family owed HB businesses. Like I said before I don't always agree with him but I think he would do a great job for the city.

Thanks for taking the time to read this.

Dear Councilmembers,

Agenda Item No.: 1 (21-470)

The famous Sally Field quote when she won an Academy Award, "You like me, you really, really like me!" could be changed up to reflect how this council feels about us, the residents of Huntington Beach... "You hate us, you really, really hate us!" You, the majority of council, don't listen to us. You despise our comments at council meetings and look at us with contempt if we dare have beliefs and ideas that don't align with you. It seems obvious that the memo came down from the Police Union to the majority of this council, the Union puppets (Carr, Moser, Kalmick, Posey and Delgleize) to delay appointing a replacement for Tito, delay, delay, delay! Delay and deflect until the residents aren't paying attention. What other reason could there be for this Council's and the City Manager's latest stunt to now want to take applications and do interviews for replacement candidates? This Council (with the exception of Erik Peterson) does not speak for the residents, you represent the unions. Oliver Chi does not represent us, the voters. Chi is just another Yes Man for the unions, we didn't pick him, the unions selected him. The majority of this council think they know what's best for us. WE THE VOTERS know what's best for us and we have already spoken, in November 2020. We overwhelmingly elected Tito Ortiz, which the majority of this council, along with future hopeful candidates, conspired to get rid of, with their smear and slander campaign and attacks on his family. He represented us! Ms. Moser and Mr. Kalmick were elected with union money. Mr. Kalmick also found it necessary to ride the coattails of Mr. Ortiz's fame with the misleading campaign mailer, suggesting he and Tito were a team, all bought and paid for by the police union. Further evidence that the majority of you do not represent us! Now this Council is attempting to further deny us, the voters of representation by this special meeting agenda, Item 1. The only solution for selecting Mr. Ortiz's replacement should be by the voters. The most expeditious solution, so that WE THE VOTERS have immediate representation, is to stop wasting time and select and appoint the candidate from the November 2020 election with the next highest vote count. Stop wasting time with this unnecessary exercise. Earlier this month, Dan Kalmick is quoted in an LA Times article, "The voice of the people isn't heard with a fourth-place vote; that's not what the people voted for". Well Mr. Kalmick, if not with the power of our vote, how else are voters heard? You and the majority of this council are

certainly not listening. The 4th place candidate should be immediately sworn in. Gracey Van Der Mark is the only choice, the voters choice!

Sincerely,
Sherry Daniels

Valentina Bankhead here, I'm a Huntington Beach residence, And I'm here today to advise City Council and to reiterate the fact that Gracey Van Der Mark should be appointed onto city council, since she had the most votes and came in fourth place in the 2020 election. It is only fair and honest for you, representing the constituents of this city, that you honor the peoples voice in placing Gracey In her rightful position. Anyone other than Gracey Van Der Mark is hypocrisy on your part and you are breaking your vows to the citizens that live here. Especially if you even think of appointing someone...like certain people we all know, who have labeled her a bigot or a racist, As well as myself in target attacks on social media, and our personal lives. People who do not even know our lives. Allowing taunting and bullying to normalizing acceptance, whack ass backwards thought, is absolutely disgraceful. Enough is enough Huntington Beach city Council you need to stand up for respect to your constituents and honor the vote! Don't be a traitorous tyrant, don't be a hypocrite, and most of all, don't be a liar...because we see you and we're watching every move! Anything other than benefiting this city in a respectful manner is an insult to every voter in Huntington. Keep it classy, and follow the legal binding votes. Thank you for your time.

Subject: Appointment to fill vacancy on City Council

Dear Mayor Carr and City Council Members,

In my view I believe we have an excellent City Council and city staff moving ahead to address issues of food and housing insecurity among our residents, climate change and human rights. I believe that Oscar Rodriguez will complement the current council as you address these many issues. I hope you will appoint him to fill the vacant seat on the city council. I think that he has the education, professional and community service experience to represent the people of Huntington Beach especially those who are often overlooked.

I know Mr. Rodriguez personally and his good work for the community of Oakview. He has organized and lead a youth soccer league (open throughout the city), a needed food drive begun during the early stages of the COVID quarantine in the Oakview neighborhood again open to those in need of food throughout our city, and serves on the Planning Commission. His faithful service and leadership is what we look for in a member of the city council. I also know that he has deep knowledge of environmental issues that affect our entire city. He will be a valuable addition to your good work to address affordable housing, environmental concerns and building a city where all can live, work and play.

I know that you are considering Mr. Rodriguez, I believe he offers insight to a community that is often overlooked and that it will be a nod to a more inclusive city government. I wish you all well during this time of deliberation to fill this vacant seat.

Sincerely,

Pat Goodman

Dear council members,

The replacement for Tito Ortiz on the city council should be a person that represents his views of the community, since he received the most votes in the history of Huntington Beach. Gracie Van Der Mark ran on the ticket with Tito Ortiz and was the next runner up in the election. Between them they got 65,611 votes, Dan Kalmick, the next runner-up to Tito Ortiz, received 30,310 votes. If the city council wants someone to truly represent the citizens of Huntington Beach, they should appoint Gracie Van Der Mark as Tito Ortiz's replacement.

Respectfully,
Ray Raines

Subject: Vacancy on City Council

Hello Council Members,

In light of the recent resignation of Tito Ortiz and the subsequent vacant seat on the City Council, I am writing to urge each of you to consider the responsibility you have to ALL city residents and voters and their equal representation rights.

Gracey Van Der Mark received the greatest number of votes after Tito Ortiz, Dan Kalmick and Natalie Moser. The vacant seat should be given to the person who received the sequentially highest number of votes as chosen by the residents of Huntington Beach.

Everyone in our city is well aware of the existing political divide and the tactics of some of the supporters of some current council members. In no uncertain terms should any council member or candidate be subject to harassment as was the case with Tito Ortiz that led to his resignation. The City Council members involved with hostile factions in HB need to step up and put a stop to the personal attacks on behalf of politics.

THE PEOPLE HAVE SPOKEN. The vacant seat needs to go to Gracey Van Der Mark. Any alternative actions will lead the voters to understand exactly what the motives of the City Council are.

Thank you,
Vanessa Nalle

If you care about the electorate (and I pray you do), you will install Gracey to the open seat tonight.
We have had enough of your leftist politics in our city. I will donate and work against those of you who are not listening...

In light of what happened with Tito Ortiz, I believe that Gracey Van Der Mark should be the next CC person. It is incumbent on the current Council to Honor The Vote by letting the voters decide on who should be appointed to Council to fill his vacancy. We all preach democracy, equality and fairness and the truly democratic procedure would be to honor the vote and appoint the individual that received the next highest votes in the November 3rd, 2020 election.

Gracey Van Der Mark received the 4th most votes in the 2020 election with 23,365 votes which is thousands of votes more than the other candidates. The voters must decide on who fills this Council vacancy.
