> I realize that this group has a very important decision to make concerning your interim appointed Council Member opening. As a tax paying citizen and resident of Huntington Beach, I am asking that you Honor the Vote of the citizens of this great city. Gracey Van Der Mark would have been on the Council if Mr. Ortiz did not get the spot. Since his resignation, it is only right that our voices be heard and Gracey is the logical appointee. Gracey Van Der Mark is someone that cares about her community and has proven time and again how passionate she is about the future of Surf City. Gracey knows the many intricacies needed to help keep our board focused on decisions that will help our entire community.

>

> As you begin deliberating about candidates who might fill your appointed interim position, I strongly encourage you to consider Gracey Van Der Mark as a highly qualified candidate. In my opinion, and the opinion of many in Huntington Beach, she would be an outstanding City Council member who would work passionately to ensure Huntington Beach continues to be an outstanding place to live.

Now that Tito Ortiz has resigned from his position, I hope that you will carefully review those candidates being considered as his replacement.

I am aware of a large email campaign in support of Gracey Vandermark. In light of many posts made by her in the past as well as videos, I hope you reject her out right. Many of her supporters will deny she made the posts, but I and many others saw them posted in real time. The one that stands out in my mind the most is the picture she posted on Donald Trump's 100th day in office. It was a picture of her son wearing a gas mask posing with Kyle Chapman, AKA Based Stickman. He is a violent white nationalist who has been on FBI watchlists. Over the past year, our city has become a laughing stock across the country because of the behavior of a loud minority. Do we want to give more fodder to the media by appointing someone who associates with Proud Boys to our city council? Wasn't the Tito debacle enough?

Of those candidates remaining, I feel Oscar Rodriguez would be the best choice. I first heard of him through his outreach work with underserved communities. This is the type of picture we should be portraying to the citizens of Huntington Beach and the rest of the country.

Thank you for taking the time to read my thoughts on this matter.

Sincerely,  
Amy MacLean

Honorable Huntington Beach City Council,

I humbly reach out to speak in support of appointing Oscar Rodriguez to the vacancy on the City Council. Oscar is a dedicated community member, a respected servant-leader, and outstanding human being. He brings a wealth of knowledge of the community and those who struggle to be heard. He would serve the Council with distinction and honor.

I do not have the privilege of living in HB but my best friends do, so I am in Huntington Beach quite frequently and spend a considerable amount of my money there. As a regular visitor to HB, Oscar Rodriguez always makes me feel welcome and valued.

Thank you for your time and consideration. You can't go wrong with appointing Oscar to the City Council.

Respectfully,

Hello City Council –

The City of Huntington Beach Charter is quite clear about the city council having sole authority for appointing the replacement for any city council member unable or unwilling to serve the entirety of a full standard term. This is your decision and your decision alone.

As an informed resident, I was aware of this provision in our city charter and suggested to everyone who would listen to simply relax and let our remaining council members make their selection. Unfortunately, like so many things in Huntington Beach, the loudest and angriest voice couldn't help themselves, and started "demanding" a specific selection less than 24 hours after Mr. Ortiz announced his resignation.

I've never been fond of "loud and angry." Being loudest doesn't make you right and being angry is destructive and wasteful.

As we go forward as a community, I believe the residents of Huntington Beach deserve better than loud and angry.

I believe we need a constructive voice, a voice of a community advocate and a voice of that will participate as a constructive partner in moving our city forward.

While I originally felt it better to simply standby and allow our city council to make their appointment without outside influence, it is clear influence has already been applied. Due to this environment, I no longer feel that I can merely stand by.

I would support the appointment of Mr. Oscar Rodriguez for Huntington Beach City Council.

Thank you,

Steve Shepherd

Dear City Council Members,

Due to the sudden resignation of council member Tito Ortiz, I firmly believe this open seat appointment firmly belongs to the 1<sup>st</sup> runner-up in the election, Gracey Van Der Mark. She earned 23,365 votes from the citizens of Huntington Beach. Gracey earned her votes the old fashion way....by walking miles and miles, knocking on doors, and personally speaking to the citizens.

I respectfully request that you **honor** the vote of the citizens of Huntington Beach and nominate **Gracey Van Der Mark** to fill this vacant City Council seat.

Thank you,

Dear City Council,

I believe that the good citizens of HB should be granted a chance to vote again for Tito's vacant spot. It should not just go to the runner up. Runner up is not what the majority of people voted for. She got the votes she did because people didn't want Tito. It did not mean they wanted Gracy Miss The Mark. Let new candidates rise up and let's have another voting session. Do the right thing please. NO TO GRACY!!!

Hello City Council,

Having grown up in Huntington Beach, and living here for most of my life, I'm well aware of the historical reputation this city has for being a skinhead haven. We need to put that stain behind us by rejecting people who even meddle a little bit in that world.

With that said, I would like to recommend that you appoint Oscar Rodriguez to city council, someone who has done good work for the community and schools, instead of a bigot who makes thinly veiled racist comments, instead of someone who gets friendly with Proud boys and other related hate groups.

The last thing Huntington Beach needs is to be known as a city cozy to bigots, nutjobs and quacks. Do you want people to visit Huntington Beach? Or do you want them to avoid it because it's starting to turn into a nutjob/nazi cultural gathering point?

Your choice.

Thanks,

Speaking as a forty year resident of Huntington Beach I do recall times in which the City Council has had to fill a vacancy on the council, and I do not recall any time in which they did not select the next highest vote counted candidate. Even though that person was not the one I voted for, it was the one that the voters had voted for. To select anyone other than the next highest vote gather would be to deny the voters of their choice. Do the right thing and appoint Gracie.

Four people should not override the voice of thousands of residents of Huntington Beach. The open city council seat (due to Mr. Ortiz's resignation) should go to GRACEY VAN DER MARK as she received the second most votes in the last election!

Although I don't live in Huntington Beach, I visit often ... something I would reconsider if the city council goes against the voice of the people.

He is the best candidate as he is honorable and doing good works with Youth Soccer League, Friday's food drive, HBPD Citizens Academy and League of Conservative Voters, and probably more. He is the best fit for our City Council and I believe would fit and work perfectly with all of you council members.

Whereas the other mentioned applicant, Gracey Van Der Mark is at hate rallies, has dangerous harmful friends. She would be a terrible, dreadful, unacceptable, problematic, and damaging member of the council. She is disgraceful, destructive, unsound, dishonorable and adverse to the excellent standards that you all hold as sitting council members. She would be as bad and distressing a choice as Ortiz, and even worse from my research. **NO WAY TO GRACEY VAN DER MARK** for new council member!

Hi city council,  
I want to first, thank you, for all of the wonderful events you have held to promote diversity and inclusivity of our city. Flying the pride flag at city hall and making sure these important issues are addressed in a responsible and respectful way.

Second, I know there is going to be a new city council member. I ask that Graces Van Der Mark is not elected. She is a threat to our city. She has been known to support white supremacy. That should not be accepted in our city, whatsoever. I support Oscar Rodriguez, who stands for racial equality.

Thank you for all you do.

With all due respect, why on earth are we spending money to have a special election for a council vacancy? Did we not have an election recently with a fourth place runner up?

Do we really want a neo Nazi enabler on our HB City Council?

**Update on the appointment to replace Tito Ortiz on Huntington Beach City Council.**  
**At a special meeting held on Thursday, June 10, The HB City Council agreed on the following timeline.**

#### **City Council Vacancy Application**

The City of Huntington Beach is now accepting applications to fill a City Council vacancy that terms on December 20, 2021. To apply, you must be a U.S. citizen, a Huntington Beach resident at the time of application and during the term, and 18 years of age or older.

The application deadline is June 18, 2021 at 5:00pm. To apply, fill out an online application at <http://bit.ly/hbcitycouncil>. If you prefer to complete a paper application, please visit the City Clerk's Office at 2000 Main Street, 2nd Floor, Huntington Beach, CA 92648.

Following the submittal of an application, the applicant must interview with the City Council at a future date and time. Interview dates are scheduled for either June 25-27 or July 9-11, which will be decided based on the volume of applications received by the June 18 deadline.

The City Council will consider both the applications and interviews to make a final decision, which will be considered at the next City Council Meeting in July 2021.

**During the meeting many people spoke in person or on Zoom to promote a candidate. There were two names mentioned throughout: Oscar Rodriguez and Gracey Vander Mark.**

Also during the meeting the court clerk, Robin, said hundreds of emails have been received and they published, so PLEASE keep sending them.

(Please note there was a mistake in last week's newsletter on Erik Peterson's email, it is corrected below.)

If you want Oscar Rodriguez appointed as the new HB City Council member, and/or you want to say NO TO GRACEY, email the city council, and if you have more to say, you can keep emailing until they approve.

**TIMELY  
ACTION REQUESTED  
HELP  
A FELLOW  
HHRWF MEMBER**

*An announcement  
from your  
HHRWF City/Local  
Legislation Committee*

Hi Friends,

On Tuesday 6/1, Councilman Tito Ortiz resigned from city council, a decision that sent shock-waves through the community. He sited the endless media attacks that metastasized into attacks on his children.

Our city charter calls for the vacancy to be "appointed by the current city council". (Section 312(a) of the City Charter reads, "A vacancy in the City Council or in any other office designated as elective by this Charter, from whatever cause arising, shall be filled by appointment by the City Council." Since our current city council majority is a cesspool of special interest hacks, this has opened the door for every special interest and swamp creature to begin clawing at the doors to city hall.

We firmly believe that this appointment firmly belongs to the 1<sup>st</sup> runner up in the election, Gracey Van Der Mark, after earning 23,365 votes ...and she did it the "old fashion" way, walking miles and miles, knocking on doors and earning those votes. She was not "bought and paid for" by special interests.

Gracey is a HHRWF member for many years, and has been on the Executive Board as the Caring for America Chairman.

Please join us in supporting Gracey and sending an email to city council telling them to **HONOR THE VOTE**.

This is the only proper solution for city council since this appointment will fill the entire term vacated by Ortiz (3-1/2 years) and clearly belongs to "The People", the voters of HB...not to a simple majority of 4 council people controlled by special interests. City Council may hold a special meeting on Thurs., 6/10, to discuss the process for appointing a replacement. There is **ONLY ONE PROPER SOLUTION: HONOR THE VOTE!!**

Many of you who receive my recommended voter picks each election voted for Gracey, like me. PLEASE join me and send an email to City Council telling them to HONOR THE VOTE, but more importantly, **HONOR YOUR VOTE!!** We cannot simply allow a corrupt city council majority to steal this elected position and assign to another special interest.

**- ACTION: What you can do?**

**PLEASE SEND AN EMAIL TO:**

[City.Council@surfcity-hb.org](mailto:City.Council@surfcity-hb.org)

*In your email, tell the City Council to honor the vote and nominate Gracey Van Der Mark to fill the vacant City Council seat.*

**In addition..**

YOU CAN SPEAK AT THE REGULARLY SCHEDULED COUNCIL MEETING:  
Tuesday, June 15, 2021, 6:00 pm - Speak in-person or call-in via Zoom

**---ALERT**

**Special Meeting Thursday, June 10th - YES, 6:00 pm TONIGHT !!**

**PLEASE SHARE EMAIL WITH HB VOTERS !!**

Please send emails and also talk to your friends about emailing the City of HB, to support home grown, valued member of the community, Oscar Rodriguez, our beloved city needs help!

It's time for Hot Call Summer!

There is an all-out assault on our freedom to vote. In 2021 alone, more than 400 anti-voter bills have been introduced in state legislatures, and 22 anti-voter bills in 14 states have been signed into law, setting a new record—all part of a coordinated, nationwide effort to silence voters of color who turned out in historic numbers in 2020.

As temperatures rise this summer, we are turning up the heat and calling our Senators to demand that they pass the For the People Act as it heads to a vote this month. This bill would block efforts to suppress the right to vote and protect the freedom to vote for every eligible American. Fair Fight Action is inviting folks in Arizona, Nevada, and other states in the Southwest and West to attend a virtual Town Hall with community members and elected officials to discuss the current attacks on voting rights and how you help protect our freedom to vote.

Please join Stacey Abrams and special guests, including Secretary of State Katie Hobbs of Arizona and Speaker Jason Frierson of Nevada, on June 17 at 9 PM ET/ 6 PM MST/ 6 PM PDT to learn more about how you can get involved and start calling your Senators!

Please join HB Huddle and our amazing guests as we discuss the gun epidemic and the broken criminal justice system. Dave Min, was elected to the California Senate and hit the ground running. He is tirelessly working for sensible gun legislation. Harley Rouda was elected to congress in 2018 and was the most productive freshman member of congress ever! Unfortunately due to the Pandemic we lost his seat in 2020 to the deplorable Michelle Steel. With your help we are taking it back in 2022. Pete Hardin is running to replace the corrupt and inept OC District Attorney Todd Spitzer. Pete is the real deal, he wants

to repair the damage decades of bad policy and lawlessness  
have brought to the OC DA Dept.

Pete will need a Sheriff to help him and our current Sherriff

Don Barnes is as corrupt and inept as Todd Spitzer!

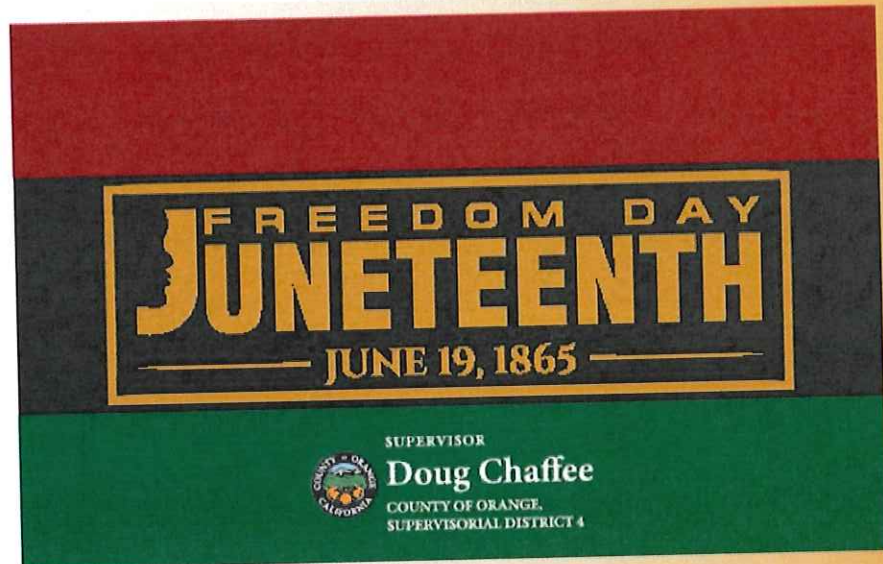

But who?

Literacy Volunteers-HBPL

**2021 Virtual 5K!**

**Greetings from Oak View Literacy!**

**We are holding a virtual 5K. Walk/Run/Cycle/Skate, whatever! Or simply stay home and read and support literacy!**

**Yes, this is a virtual fundraising event to support your favorite adult literacy program. J How will it work? See details down below and pass them on to your friends and family.**

Literacy Volunteers—HBPL is having our first virtual 5K!! This year, *Walk, Run, READ!*

be taking place virtually over the course of a week, as we honor the social distancing restrictions. Shake off your 2020-21 sweats, grab a few friends, family, and pets, and get outside. Walk, run, skate, cycle, stroll—choose your fun to enjoy the sunshine while supporting a worthwhile cause. Not feeling the walk? The “READ” is for you! That works too!

Why support Literacy Volunteers? With staff and tutoring at Central & Oak View branch, tutors help other adults develop the necessary skills to improve their lives and their community. Volunteers and adult learners come from diverse backgrounds in nationality, education, and life experiences. With your support and contribution, learners are able to improve employment opportunities, help their children with their homework, earn a high school diploma, attain US citizenship, manage their healthcare, and so much more!

For more information about Literacy Volunteers or to register, go to [Literacy's Walk-Run-Read](#) site today. Adults are \$25; kids \$10. Teams are encouraged—even if everyone doesn't walk together, or live near each other, you can create a {virtual} team! There will be individual and team awards for people and pets alike. Best costumes! Most distance covered! Books/pages read! More!

Questions? Call the literacy office at Central, 714.375.5102 or Oak View Branch, 714.375.5104. By participating in our virtual event, you are making a lasting impact on the lives of others. We cannot thank you enough.

We look forward to seeing you outside!

## REPORT CARD

# MICHELLE STEEL

Does not vote with **"We The People"**

For the first few months, Rep. Steel has voted "NO" on almost every single vote presented to her. She missed her second vote by catching Coronavirus. The bills she voted against were all widely supported (except one) by more than 50% of the American people. In fact, most of the resolutions had **broad bipartisan support** from Republicans, Democrats and Independents. So who does she vote for?

Why won't she fight for you? For the American people? For her voters?

VOTED AGAINST **\$1,400** INDIVIDUAL STIMULUS PAYMENTS

VOTED **AGAINST** SCHOOLS GETTING FUNDING TO REOPEN

VOTED **AGAINST** SMALL BUSINESSES

VOTED **AGAINST** POLICE, FIRE AND CITY-FUNDED SERVICES

VOTED **AGAINST** EXTENDING UNEMPLOYMENT AND EVICTION RELIEF

VOTED **AGAINST** COVID TESTING AND VACCINES

### FOR THE PEOPLE ACT - HR 1

**NO** VOTING RIGHTS, ETHICS, AND LIMIT CORPORATE MONEY IN POLITICS

### EQUALITY ACT - HR 5

**NO** ENSURING EQUAL RIGHTS FOR THE LGBTQ COMMUNITY

### VIOLENCE AGAINST WOMEN ACT - HR 1020

**NO** PROTECT WOMEN FROM DOMESTIC ABUSE, VIOLENCE, SEXUAL ASSAULT

### BIPARTISAN BACKGROUND CHECKS - HR 8

**NO** BACKGROUND CHECK REQUIRED FOR FIREARM TRANSFERS

Michelle Steel doesn't think for herself. She doesn't vote for herself. She certainly doesn't vote for you. She follows orders. She has voted 100% with her party, regardless of what her constituents want or need...

**IN 2022, TELL MICHELLE STEEL "NO!" TO ANOTHER TERM**

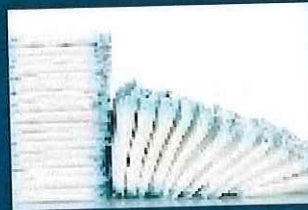

Paid for by Real Politics OC, FEC ID C00746255 (www.realpoliticsoc.org). Not Authorized by any candidate or candidate committee.

**Please help us get the word out:** Michelle Steel gets an "F" for her time in office representing CA48. Real Politics OC has prepared a report card for Michelle Steel. We have several ways you can help us to get the Report Card Flyers out. You can drop them off at homes in neighborhoods or you can mail them (addresses provided). You can also help by donating to cover printing and postage costs. [Click here to volunteer/donate](#)

LoL...

Not sure what I'd be getting into, but you just may get it... 🤔

All kidding aside, anything I can do on or off the council, I'm always happy to help.

One of the most valuable and rewarding life lessons I've learned, is the value of looking through different windows.

There is never just one view as the value of different perspectives is how we learn.

All the best and never hesitate to give a shout. I like solving problems, being additive to the process and the community.

In the meantime, Happy Fathers Day, best wishes to your husband and hoping he's back to 100%!!

Cheers, Bill
