Thank you for hanging tough by not allowing a back-room deal to put another liberal on the council. It is likely that Kalmick and Moser will be facing a recall and that is going to happen when you are the Mayor. Don't side with them now or you will get painted with the same brush. I prefer that you side with appointing Gracie, but if you can not do that, then demand a special election and let the voters choose.

7/20/21

Good evening city council,

There are over 204,000 residents of Huntington Beach.

If you want to save us tax payers money from this "\$1,000,000" special election, I would just appoint Gracey now. Because she's going to win anyways.

And you know it.

Mayor Kim Carr, how you treated us your constituents yesterday was disgusting and UnAmerican. Your greed to get the seat warmed by your rank and file is not the most just thing to do. It's selfish and undesired by so many because it is not part of an honorable process.

You said that all the interviews you all sat through, that took an agonizing two days, and so painstakingly difficult, but yet somehow meaningful, weird you think it's meaningful.... I would assume a long and hard campaign would be meaningful. Gracey is not bought and owes NO debt to any groups, organizations, businessmen, contractors, real estate moguls, elites, etc...

Mayor Carr you say you want to feel "compassion" and all these "heartfelt" emotions to appoint someone.... yet.... you have someone right there in front of you, a woman of COLOR, and DIVERSITY who earned 4th place in 2020. That's a HUGE accomplishment. ...she has all the checkmarks there, fitting for this vacant seat. Gracey was vetted by you, many people in the city,, the grassroot. Yes, HB Residents, ...and 23,365 thousand residents who voted for her are NOT racist. They are home owners, moms, dads, uncles, friends, daughters, sons, just like you, families of HB.

These residents wanted her in that position on council. Oh But if it wasn't for the POA and the union puppets that enforced an arm twisting vote for Moser and DK, Gracey would be there sitting right next to you Miss Mayor.

Look You all would have fulfilled all the checks and balances.... if you truly wanted unity, if you truly wanted what is best for the residents, if you truly wanted to move forward.... appoint Gracey now.

If you can't, your only option is a special election.

Respect the community. Honor our democracy.

Be a council of your oath. Deciding it for yourselves is uneventful and an embarrassment. You proved that last night. Let 204,000 residents have a say.

Give us the special election.

It is your duty and privilege to represent the citizens of Huntington Beach, and I am writing to ask that you do that well and appoint Gracey Van Der Mark to be the next member of the City Council. It confuses me as to why this is even an issue. She very clearly was next in line with our votes, meaning the citizens of Huntington voted for her and want her to be in the City Council. Please honor the candidate we chose and appoint her to the vacancy in City Council.

Good Morning,

As a resident of the great city of Huntington Beach I want to voice my opinion regarding the direction of the replacement process.

With this unfortunate situation our city has been placed in it only makes sense to follow the direction of the voters. The timing of this incident is so close to the recent election the right thing to do is respect the voice of the community and choose the next candidate with the most votes.

The arbitrary appointment by standing council members is not a process that considers the voice of the community. I urge you to do the right thing.

To Whom it Concerns,

I have been a resident of Huntington Beach for 20 years. I moved here at age 22 with a promotion from work from out of state and I thought I landed in paradise. It was unbelievable how beautiful our city was. I have seen it go down over the years and unlike many HB residents, I was thrilled to have Pacific City. We needed an anchor to elevate our beat down Main St. and to pull in a more affluent tourist to balance out our city, which it did.

Now, I am fully aware of the damage control you were instructed to get a handle on with everything that transpired in 2020. We drew a lot of unwanted attention and we are paying the price with a Democratic majority.

Whatever is going on in politics is not what any of us want, and neither should you. Did you all sell your soul to the devil? I'm being serious. There is no other explanation for what is happening in the world. Greed. Money. Power = the devil working through you all.

I fear if you do not honor the vote or put someone of a conservative value in Mr. Ortiz's place, we are all in trouble. The people want to feel heard and we want a balanced city council. The unrest on the street is very real and contrary to what you may believe, keeping a lid on us with another left wing appointed politician from DC is not the answer.

Respectfully,

Dear City Council,

I'm frustrated to learn that the city council is planning on making an appointment to replace Ortiz rather than honoring the vote from November. If the council is not going to honor the vote, then there needs to be a new election held. The way the council is functioning is undemocratic and is a violation of representation.

I thought the City Council would represent all Huntington Beach citizens. Unfortunately, this is not true. All of you spent time unseating Tito Ortiz and concentrating on a far left agenda. Now, you are planning to continue that agenda by not electing the person who was next in line with the most votes.

Only our City Attorney speaks with reason and common sense. The rest of you should be ashamed of your actions as political operatives. Huntington Beach is conservative for the most part -- about 60%-and you are ignoring all of us. Think about your jobs as representatives for all. Do not choose a diversity cheerleader and one who is clearly far left.

Honor our votes.

It has come to my attention that the City Council is considering filling Mr Tito's vacant seat via appointment rather than referencing the results of the recent election or new election. As a HB resident and voter, I expect the Council members to take into account the will of the voters and seat the fourth runner-up from the 2020 election or call for a new election. I will be following this issue as it unfolds and will take into account the decisions of individual council members in future election cycles.

Hello,

I am a concerned voting resident of Huntington Beach. After watching the city council meeting last week, I am unapologetically angry with council members Moser, Kalmick and Posey. It is very clear that their political views are driving their decision to replace Ortiz' spot on city council. Please honor my vote and place Gracery Vandermark in this position or offer a special election.

Thank you,

Amber Lawrence

Hello City Council,

I am a lifelong HB resident (37 years), a HB Homeowner and Mother of two young daughters that I am proud to be raising in HB.

I don't understand how anyone but Gracey could be considered for this seat, especially someone who did not even run in the election, Rhonda received zero votes from HB residents.

Please do the right thing and appoint Gracey... thank you!

City Council Members,

I am writing to support Gracey Van Der Mark to be appointed to the city council in the position vacated by Tito Ortiz. She was the next top vote receiver in the election, and you know it. This would be the fair and equitable way to have the voters of Huntington Beach represented. This position should in no way be treated as the council majority's opportunity to appoint another council member who is in alignment with their positions. If the council chooses to go this direction, prepare yourselves for a short time in office. I have lived in HB since 1974 and I am very well connected and will join the fight against the direction this council is taking our city.

## Age Discrimination

Age discrimination involves treating an applicant or employee less favorably because of his or her age.

The Age Discrimination in Employment Act (ADEA) forbids age discrimination against people who are age 40 or older. It does not protect workers under the age of 40, although some states have laws that protect younger workers from age discrimination. It is not illegal for an [employer or other covered entity](#) to favor an older worker over a younger one, even if both workers are age 40 or older.

Discrimination can occur when the victim and the person who inflicted the discrimination are both over 40.

## Age Discrimination & Work Situations

The law prohibits discrimination in any aspect of employment, including hiring, firing, pay, job assignments, promotions, layoff, training, benefits, and any other term or condition of employment.

## Age Discrimination & Harassment

It is unlawful to harass a person because of his or her age.

Harassment can include, for example, offensive or derogatory remarks about a person's age. Although the law doesn't prohibit simple teasing, offhand comments, or isolated incidents that aren't very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted).

The harasser can be the victim's supervisor, a supervisor in another area, a co-worker, or someone who is not an employee of the employer, such as a client or customer.

## **Age Discrimination & Employment Policies/Practices**

An employment policy or practice that applies to everyone, regardless of age, can be illegal if it has a negative impact on applicants or employees age 40 or older [and is not based on a reasonable factor other than age](#) (RFOA).

**Subject:** Filling the vacant City Council seat

Hi Barbara,

I wanted to send you a quick email first, to thank you for your votes at the last meeting concerning filling the position on the City Council. My concern as Huntington Harbour Republican Women Federated (HHRWF) is to have voter integrity, the voters voice heard, and to support Republican candidates.

I was glad you decided to redirect the voting to support holding an election. My concern and the concern of our members is that an appointment of a 3 1/2 year term to the city council must have the voice heard or voting of the people to decide who will fill the vacant CC seat.

It was nice to see you vote for Jeff Morin. Although Jeff came in the bottom half of all candidates in the November election. Jeff was even endorsed by OCGOP and still he finished very low in the rankings - approximately 34% lower than Gracey and 63% lower than Tito, who won the seat he would be replacing ! This bottom tier ranking compared to all the other candidates, tells me that Jeff Morin does not have enough support from the people, especially for an appointment that is for a 3 1/2 year term! Jeff would be put in a very precarious position amongst the voters. No one likes to see someone just given something, especially this important. Barbara, no one gave you your seat on the City Council, you worked hard and won it yourself.

Gracey being the 1st runner-up and next in line who received the most votes was a viable candidate for the position because the election was recent. Timewise the election was not far off, therefore, Gracey's votes are fresh enough to represent the voice of the people. Any Republican who was the 1st runner-up would be supported.

That's the way it should be - get the votes and get on the HB City Council. I reiterate, I was glad to see, when it was clear no consensus would be reached, you spoke-up and redirected the council to have another vote about holding an election and you voted Yes, to having an election. I think you made the right decision.

Barbara, It is my hope as representing HHRWF, that you continue to hold your position to have an election ensuring the people get to decide who gets this 3 1/2 year term. The alternative would be to appoint the 1st runner-up, Gracey Van Der Mark, to the position. These are the only two courses of action that are fair and democratic to the citizens of Huntington Beach.

Good luck tomorrow night.

**Subject:** Council Vacancy`

Huntington Beach, a city heavily dependent on tourism for tax revenues, has become a late night punchline and is now associated with white supremacy, nazis, and general ignorance thanks to the events of the last year. The fact that it was chosen as a safe spot for a KKK rally speak volumes as to how it is viewed by people outside the city.

We need to appoint someone to the city council that negates that image. Appointing Gracey Van Der Mark to Tito's vacated seat will only solidify the view that HB is a dangerous, backwards city.

Gracey Van Der Mark has a history of associating with nazis (photographed with members of the Rise Above abovement and saving holocaust denier videos), racist language (photos of her holding a sign referring to "blacks" and reports of her saying "This meeting was being ran by the elderly Jewish people who were in there. The colored people were there doing what the elderly Jewish people instructed them to do."), and working with white supremacist organizations (photographed with Proud Boys leader Johnny Benitez and alt-right neo-Nazi Angustus Invictus and with Baked Alaska, anti-American insurrectionist).

Whether you believe these examples or not, they are easily found on the internet and will be reported by the media as such if Gracey is appointed to the city council. In other words, appointing her will solidify HB's reputation as a center for white supremacy and discourage people that do not support white supremacy from coming to Huntington Beach. I know families that have decided to vacation elsewhere because HB seemed "dangerous". How many more families are making the same decision?

Please do not appoint Gracey Van Der Mark to the city council. Instead, appoint someone that is non-controversial.

Dear Honorable Members of the Huntington Beach City Council,

As a resident of the city for more than 25 years, I urge you to abide by the city's Charter and reach a consensus in order to appoint a new council member to fill the seat vacated by Tito Ortiz. It is your duty to do so. Holding a special election to fill that seat will be seen as a dereliction of that duty, an unnecessary delay in restoring the proper number of voting members to achieve results, and an inexcusable, exorbitant expense for the city that experienced an economic downturn related to the pandemic.

It seemed that Mr. Ortiz's resignation was an opportunity for the council to return to the business of governing the city without the drama that accompanied his short tenure there. Having interviewed about one hundred possible candidates, including past city council members, it is hard to believe that the sitting members cannot reach consensus on one individual to complete the term that Mr. Ortiz was elected to. It is clear that whatever person you choose will disappoint some portion of the electorate, but that should not inform your decision. That decision should be guided by what is best for the future of Huntington Beach.

Sincerely,

Jeff Rokos

Dear City Council Members,

I am so disgusted by your blatant refusal to Honor The Vote and allow Gracey Van Der Mark to step into Tito's shoes. Had it been one of your cronies like Oscar you wouldn't hesitate to usher him in.

I've also heard that you would like to bring in an UNKNOWN by the name of Rhonda Bolton and while she may be a smart lady just let her run for CC like the rest of the candidates.

In my honest opinion you are allowing your egos and pressure from the Huddle etc. to get in the way (exception of Erik Peterson) and not doing the will of the residents! Remember us? We allegedly voted for you.

Honor the vote, accept Gracey and gain the trust of the people for a change.

Are you willing to tempt faith by allowing Dan Kalmick to be involved in the Hiring of your appointed city council member? This after he clearly showed his Age Bias. Do you not think that many in this community will NOT Contact every agency and government watch dog to report on his Bias? Go Ahead Make My Day. I thought the city of HB was an Equal Oppertunity Employer? you may want to check with your HR department and on Mondy Night make a motion to eliminate Dan Klamick from this and further processes that include hiring.

How easy is it to spend the dollars of Huntington Beach residents? No money from your pocket, right? Instead of acting like adults to name a new council member you squabble like children displaying your special interests; willing to spend \$1 million hard-earned taxpayer dollars for an unnecessary election.

Is this really your idea of governance? What a poor example you set.

What would be unfair about choosing the people's next highest vote recipient? Seems like that's what the voters wanted. Politicians/city councils seem to care less and less about what voters want moving their own agenda forward instead. Ask yourselves what is best for surf city? Am I serving my constituents or someone/thing else?

I understand there is a special meeting for Monday, 7/26 to appoint a council replacement for Tito Ortiz. We the People/Citizens of Huntington Beach voted in November and chose #1 Tito and I find it appalling that he was pushed out. Gracey Van Der Mark, was our 4th choice and next in line. It is time to quit with the shenanigans and appoint Gracey to take Tito's place. It is the will of the People and YOU WORK FOR US.  
America's government is set up "for the people, by the people". You must honor the People and our Vote.

**Subject:** Special Meeting Adjournment Clarification

Good Afternoon City Council:

With regards to the Special Meeting that occurred on July 19, 2021 I wanted to email for clarification of the following section below that is on the City's website - specifically the area I bolded and underlined. At approximately 1:54:53 in the video, a motion "to adjourn this meeting & reconvene within the next 7 days" was made and passed. If I understand the section below correctly, it appears that a special meeting cannot be **adjourned to a subsequent date**, It can however be recessed and reconvened to consider the same subject which was done twice during the meeting. The word adjourned was used several times throughout the council's discussion of that option & then used in the actual motion. If this means what I think it means, then the vacant council seat would go to a Special Election since the council never came to an agreement on a candidate.

**Special Meetings - Non Emergency**

Special meetings of the City Council may be called at any time by the Mayor or by a majority of the members of the City Council. A special meeting requires a minimum of 24 hours notice to each member of the City Council and the media. No business other than what is described in the "Call for the Special Meeting" notice may be considered at a special meeting. **A special meeting may not be adjourned to a subsequent date; it may, however, be recessed and reconvened to consider the same subject contained in the original notice.**

Thank you,

Kathy

7/20/21

Good evening city council,

There are over 204,000 residents of Huntington Beach.

If you want to save us tax payers money from this "\$1,000,000" special election, I would just appoint Gracey now. Because she's going to win anyways.

And you know it.

Mayor Kim Carr, how you treated us your constituents yesterday was disgusting and UnAmerican. Your greed to get the seat warmed by your rank and file is not the most just thing to do. It's selfish and undesired by so many because it is not part of an honorable process.

You said that all the interviews you all sat through, that took an agonizing two days, and so painstakingly difficult, but yet somehow meaningful, weird you think it's meaningful.... I would assume a long and hard campaign would be meaningful. Gracey is not bought and owes NO debt to any groups, organizations, businessmen, contractors, real estate moguls, elites, etc...

Mayor Carr you say you want to feel "compassion" and all these "heartfelt" emotions to appoint someone.... yet.... you have someone right there in front of you, a woman of COLOR, and DIVERSITY who earned 4th place in 2020. That's a HUGE accomplishment. ...she has all the checkmarks there, fitting for this vacant seat. Gracey was vetted by you, many people in the city,, the grassroot. Yes, HB Residents, ...and 23,365 thousand residents who voted for her are NOT racist. They are home owners, moms, dads, uncles, friends, daughters, sons, just like you, families of HB.

These residents wanted her in that position on council. Oh But if it wasn't for the POA and the union puppets that enforced an arm twisting vote for Moser and DK, Gracey would be there sitting right next to you Miss Mayor.

Look You all would have fulfilled all the checks and balances.... if you truly wanted unity, if you truly wanted what is best for the residents, if you truly wanted to move forward.... appoint Gracey now.

If you can't, your only option is a special election.

Respect the community. Honor our democracy.

Be a council of your oath. Deciding it for yourselves is uneventful and an embarrassment. You proved that last night. Let 204,000 residents have a say.

Give us the special election.

Notes  
Council appointment information. These unknown persons to the citizens should be exposed for who they are and what they stand for. Few people out side of the Left know what these people stand for and how they would govern. Like Rhonda Bolton from DC who sells a leftist racial program to governments, private industry and schools. We strongly object to any and all race propaganda in HB. Not the American way. All things will be exposed and your connection to them.

It is unconscionable to appoint someone who never ran for office simply so you can promote your political ideology.

Gracey VanDerMark won the votes and is the choice of the people.

Don't waste our tax dollars with a new election. Please do the job you were democratically elected to do.

Appoint Gracey. We live in a democracy not a dictatorship. You liberals can't handle when you lose so you have to cheat. She is the rightful appointee next in line per votes. The city has voted and we want our votes to count. Don't cheat and appoint someone who is in line with your views because your views do not align with the majority of our great city who stand up against people like you trying to destroy our businesses and control us with your bureaucracy. Perform your fiduciary duty by not having an unaffordable \$\$ costly special election. Appoint the person who received the most votes.

**Subject:** Let democracy work

I am very disgusted with the actions of the current city council members who will not allow the voice of the people be heard. It does not matter how much a special election will cost, it should be up to the citizens to select who they want to represent them. It is not up to the council to 'pack the court' in an undemocratic manner.

I am disgusted that Dan Kalmick is allowed to sit on the council and place a vote when he is fully in favor of discriminatory actions. His own words show that he is not capable of being unbiased and if he is not honorable to exclude himself, the Mayor should do so.

I am disgusted with Natalie, who seems to not give a care about those who vote, she does not consider the citizens voice, only her and her puppet masters voice matters.

I am disgusted that the Mayor does actions that are clearly in violation of the Brown Act and nothing happens, why are these violations not being investigated? Why do we have a mayor who is in line with the thinking of Pelosi and Newson "the laws do not apply to me" ?

THIS VOTE BELONGS TO THE CITIZENS, YOU HAVE HAD YOUR OPPORTUNITY TO SELECT AND YOU COULD NOT, NOW YOU HAVE HAD THE OPPORTUNITY TO DO SOME ARM TWISTING TO WORK ON GETTING YOUR CANDIDATE IN. NOT A CANDIDATE THE CITIZENS WANT.

I pray that Barbara and Posey have enough backbone and concern for the citizens that they will not allow you to strong arm them. This is the most corrupt group I have ever witnessed. Hold a special election or hold a recall election. The citizens will be heard one way or another.

Dear City Council Members,

I am writing in support of the appointment of Gracie Van der Mark to the position that Tito vacated. Gracie would create balance in the city council, which is the reason that Tito received so many votes. Many residents of HB want their voices heard, and are worried that the remainder of the council members do not represent those voices. By appointing Gracie, you would be making the council more equitable for all view points. Please refrain from appointing a member who does not represent the same voices who voted in Tito. That would only make certain that the same voters would make sure these people aren't voted in again.

Thank you for listening to the people you represent.

As a resident of Huntington Beach, I am writing you today to request that you honor the original vote for City Council. Gracey Van Der Mark should be the replacement council member. She finished 4th place in the vote from Huntington Beach residents. She had 23,365 people vote for her. It is only fair that she be appointed to City Council.

For you to appoint anyone else would be criminal.

July 26, 2021

Subject: Special HB election to replace a city council member who resigned.

Based on cost vs. effective value, it is the opinion of the undersigned HB resident that a special election is not prudent in the Ortiz matter.

Ortiz resigned for good cause, and it should follow logically that his city council seat be filled in a timely manner by the runner up with the most votes cast in the last city council election. In this case it is Gracey Van Der Mark. The City Council should review this suggestion as a permanent procedural recommendation.

The goal of the new policy and procedure being to replace a vacated council seat in a cost effective and timely manner.

Dear HB City Council Members,

You are in the process of appointing a replacement for Tito Ortiz. Please consider that our government, at all levels, is first and always a representative Republic. This means that we the citizens are to elect our representatives. If the Council will not conduct a special election for this replacement, the only logical and proper way forward is to look at the previous election, held only 8 months ago, and select someone from that election to replace Mr. Ortiz. This may be inconvenient for some on the Council but that is unimportant. We citizens expect and demand the seat be filled from the candidates who actually ran for office in the previous election.

Thank you for considering my input.

Simple - appoint a conservative to replace Tito Ortiz. The conservative vote was split among many candidates in Nov 2020. In total, the vote was clear.  
Conservatives still have a majority in this city, and should have a majority on the council.

**Subject:** Please honor HB citizens vote and save \$\$\$

I am writing to you today to request that you please honor the vote of the people of Huntington Beach in our past election and go to the next candidate down the list that had the next highest tally of votes and instate that candidate to take Tito Ortiz' position on the city council.

We already voted, and not quite sure why you are not willing to honor that vote. If there are many more candidates now that want that position as an "appointment" without having to do the groundwork in the public eye to gain the trust and vote of the people, then they are quite possibly looking for a quick way into the City Council without having to put in the sweat equity. This appointment should not be picked by the City Council members anyway. Each has their own opinions and agendas, that do not always align with the majority voters.

If there were to be a "special" election held to choose a new candidate, what a complete waste of taxpayer money that could be better served of use in so many areas of our precious city. For example, curtailing the homeless struggles within our city walls, much needed work on our beaches, helping the poor, etc. or many other programs where that money would be better served.

By the city council members not being willing to honor the vote of the people at our last election, you may not realize it, but this looks very poorly upon you as city council members. That you are willing to waste so many hard earned tax payer funds to self serve your own agenda, or possibly to "hand-pick" by appointment someone that will stack the decks in your own favor to promote your own ideals and desires. This is NOT what you were elected to do. You were elected by your constituents to do a job based upon your promises and choosing someone or holding a wasteful special election was not one of them. So far, many of you have lost respect in our eyes for the way you have been conducting yourselves through this dilemma.

Please honor our vote that was already cast, and hard fought for. If the next person on the list cannot or is unwilling to fulfill this empty seat, then continue to go down the list. These candidates already put in the time and have earned it. Please keep your integrity, your honor, and my respect for you by honoring our vote in our great city.

Thank you,  
Tamara Ravsten

As a long-time resident of Huntington Beach, I am appalled at the unconstitutional action of the new City Council.

You need to honor the votes of Nov 3rd, 2020 and give the open seat to the next highest voted candidate, Gracey Van Der Mark, whom I voted for.

You will all be primaried or recalled if you continue on this highly liberal partisan path.

We of HB will not stand for your Marxist ways.

She did the work and has put in the time to prove that she will work for our city. Five people should not select the person to replace Tito Ortiz. Does Rhonda live in Huntington Beach? Please do the right thing. Appoint Gracie as our new council member.

I was delighted to see you generate some great, positive news coverage for Huntington Beach last week.

Not only did you move HB forward on a modern Sustainability Plan, but HB also got praise for the start of the Be Well program. Be Well will ease the burden on Police of non-criminal complaints. Very constructive.

Such news is a welcome relief from the last few months of public relations disasters. As a tourist destination with millions of dollars and thousands of jobs at stake, HB can ill afford bad publicity, especially when it springs from the offices of the Council.

Please, continue the momentum and select someone for the Council who will be a constructive, reasoned voice to support your efforts to make Huntington Beach a safe and prosperous place for all its residents and a hospitable destination for families, tourists, businesses and visitors.

Coincidentally, I can't help but notice that a single-issue, impromptu election to replace one candidate will cost as much as a full year of the Be Well program. Please, don't waste my money on an unnecessary election. Follow the Charter. Select an informed, constructive colleague..

**Subject:** Replacement Councilperson for HB City Council

To all City Council Members:

We are writing the council today to ask that "Gracey Van Der Mark" be elected to the city council as a replacement for Tito Ortiz.

We understand that Gracey received the next highest vote count in the last city council election and therefore should be inserted on the council.

We'll be following the action of each city council member to make sure our vote, as previously submitted, is carried out as would be directed in this election. We prefer the city council does not spend another Million \$\$\$ by holding a special election.

Thank you for making sure the will of the people is followed.

Charlie and Marlene Wilson  
Residents of Huntington Beach since 1972.

Subject: City council vacancy.

I'm asking the council to respect the wishes of the voters and hb citizens and appoint Gracey Van der Mark to the vacant council seat. She will do a great job of representing hb residents on the council.

I've lived in hb since I was 8 years old and went to school here and left and came back. Now I'm raising my school aged children here. This town is slowly turning into Santa Monica. It's crowded, dirty and dangerous. We don't go to the beach anymore because of the needles and the homeless people. My kids also don't go to the public schools because of the quality of the education. I don't believe high density housing, allowing crime or allowing amazon warehouses improves our standard of living or the school quality. I'm hoping you'll do your duty and appoint someone that will fight to make hb a beautiful, safe small town for hb residents once again.

Thank you,

Regina Larson

**Subject:** My vote for Gracey VanDerMark Needs to Count

HB City Council,

In light of Mr Tito Ortiz' resignation from the HB Council, as a tax paying Huntington Beach city resident for over 40 years, I am respectfully and STRONGLY REQUESTING that Ms Gracey VanDerMark be installed as the replacement council member for Mr Ortiz' seat.

We demand our VOICE BE HEARD and our VOTE COUNT. If you cannot perform that simple task, then you obviously dont know how to handle other city business...and you should be replaced. I will make sure that other HB residents hear of this betrayal.

I politely ask that you DO THE RIGHT THING!

Regards,  
Stan Arrollado

I am appalled about what is happening to America; it is heartbreaking that the Huntington Beach city council wants to dominate in accordance with the philosophy of the left. I am 81 years old and I'm disgusted that those who achieved success because of the freedom and liberty of America now want to use that power to impose control and denial to others.

As Gracie is the next runner up, it seems to me it is the will of the voters to choose her.

It should not be a City Council decision of who to pick.
