I am writing to strongly urge you to appoint Oscar Rodriguez to fill the vacancy on the Huntington Beach City Council. I have known Mr. Rodriguez for many years, and have been greatly impressed by his ability to bring communities together in concerted actions of common interest.

Oscar is kind and caring while at the same time practical and goal-directed. His dedication to promoting the general good supersedes all partisan rancor and identity politics.

Huntington Beach has been blessed to have Oscar Rodriguez serve on the Planning Commission, and would now be even further graced to have him serve further on the City Council.

I'm a long time resident of Huntington Beach and have been involved in the local community. Based on my experience and observation of his advocacy of Oscar Rodriguez over the years, I strongly recommend that he be nominated to serve as a Huntington Beach City Council member.

If you haven't had the opportunity to become aware of Oscar's abilities and commitment in HB, be sure to thoroughly review his application. He's a proponent for advancing HB, via collaborative and inclusive efforts, to rise and meet the challenge of being a great place for its residents, businesses and visitors. Hello City Council,

After a tumultuous few months, the residents and I'm sure all of you are happy to get back to the business of improving Huntington Beach for all.

I understand you have received over 100 applicants for the open seat, and I'd like to endorse candidate Rhonda Bolton for the opening. I have known Rhonda for over 7 years and we both serve on the board of Girls Inc. of Orange County.

Rhonda is a balanced, intelligent and thoughtful woman who would contribute so much to the council's work. She is politically agnostic which would be an asset to you in addressing more controversial issues. She has served on the HB Human Relations Task Force so understands at least some of the inner workings of city business. She listens well, considers all opinions, and speaks thoughtfully. She works well with others.

As you sift through the mountain of candidates, I hope you will put Rhonda at the top of your consideration list.

Sincerely,
Janet Michels

Dear City Council Members:

It is my pleasure and honor to support the recommendation of Rhonda M. Bolton to fill the vacancy on the Huntington Beach City Council. As CEO of Families Forward, an organization committed to ending and preventing family homelessness and a partner with the City of Huntington Beach, I have known and worked with Ms. Bolton for nearly a decade. Rhonda played an integral role on our Board of Directors here at Families Forward for 7 years and most recently has supported Families Forward over the last year in our continued commitment to supporting diversity, equity, and inclusion in the workplace. As a board member, Ms. Bolton served on multiple committees over the course of several terms, including Governance and Human Relations Committees. She worked tirelessly on behalf of our mission and for countless families in Orange County. Her thoughtful questions, insight, and sound judgement quickly became an enduring asset to Families Forward staff and fellow Board members alike. She consistently demonstrates an instrumental capacity to carefully consider all angles of a challenge prior to making a recommendation or approving action. Any organization that aligns themselves with Ms. Bolton will gain an advocate who fosters robust partnerships that unite stakeholders and reflect positively on all involved. Her work is thoughtful, thorough, and highly effective in achieving goals that uplift collective success and the betterment of the community.

For this reason, she is a highly qualified candidate and would make an exceptional addition to the City Council.

Thank you for your consideration.

Hello Council Members,

I am writing you today to show my support of Oscar Rodriguez to fill the now open council seat left behind by Mr Ortiz. Oscar is a true pillar of the community and has been helping the less fortunate members of the city since well before the election and pandemic.

For example, Oscar co-founded the Oak View ComUNIDAD in order to help the Oak View community take on Rainbow Environmental Services due to Rainbow's air quality violations. They won that fight and have helped the children now breathe cleaner air when out playing on the school playground.

Oscar has also helped low income families by assisting them with housing and education thanks to his knowledge from being an Asset manager with the Orange County Community Housing Corporation/SteppingUp.

During the pandemic, he has organized weekly food and clothing drives to help families that might have otherwise not made it.

Oscar Rodriguez truly cares about the city of Huntington Beach and all those who call it home. He has proven time and time again that he's here to help. I think he can bring much wisdom and helpful ideas to the city council and the issues it's currently facing.

Thank you for your time and consideration.

Lived in HB for 25 years and Sunset Beach for 20 years before that. Raised my two sons here.

Oscar Rodriguez is the only answer to the white supremacist violence we now see in HB. It's been tolerated so long that the KKK now thinks of HB as their town. Two of the "Jews will not replace us" protesters in Charlottesville were from HB. Time to turn this around.

OSCAR RODRIGUEZ - "YES!"

Hello Council Members,

I am writing you today to show my support of Oscar Rodriguez to fill the now open council seat left behind by Mr Ortiz. Oscar is a true pillar of the community and has been helping the less fortunate members of the city since well before the election and pandemic.

For example, Oscar co-founded the Oak View ComUNIDAD in order to help the Oak View community take on Rainbow Environmental Services due to Rainbow's air quality violations. They won that fight and have helped the children now breathe cleaner air when out playing on the school playground.

Oscar has also helped low income families by assisting them with housing and education thanks to his knowledge from being an Asset manager with the Orange County Community Housing Corporation/SteppingUp.

During the pandemic, he has organized weekly food and clothing drives to help families that might have otherwise not made it.

Oscar Rodriguez truly cares about the city of Huntington Beach and all those who call it home. He has proven time and time again that he's here to help. I think he can bring much wisdom and helpful ideas to the city council and the issues it's currently facing.

Thank you for your time and consideration.

Hello wonderful humans,

I can't believe Dom Jones would be the first African-American to sit on the Huntington Beach City Council. But I am so excited that she would represent a truly diverse, effective leader who will bring a goal of unity and reaching across all aisles to get things done for the constituents of Huntington Beach.

What a wonderful gift for the City Council to say "We are looking toward a future where people are supported and not one where toxic divisions divide us as Americans." With the appointment of this remarkable woman, you would be saying just that.

Thank you for the work you do every day!

Sincerely,

Sarah Jakle

Hello City Council,

I am a long time resident of Southern California and I often frequent Huntington Beach as a consumer and guest. It would be great to see the city I spend money in, invest in its community members. Dom Jones is an excellent choice for City Council for so many reasons. It would be great for our city councils to reflect the desires and needs of the community

Hello,

I want to say upfront that I do not live in Huntington Beach, but my family is from there and I hope you will support Don Jones for city council. Dom has the passion, drive and courage that Huntington Beach needs. I believe she will work to find compassionate solutions to the city's homeless problems, making the city safer for residents, business owners and tourists. Her background in education and motivation will also serve the city well.

Please support her.

Thank you,

Good Morning,

I am writing in support of the appointment of **Dom Jones** to the Huntington Beach City Council. I met her recently and it became immediately apparent to me how passionate she is about the city of Huntington Beach, which she has chosen to call her home. I understand that traditionally, Huntington Beach has been a fairly conservative community. Dom certainly has traditional "conservative" bona fides as a local business owner. Her perspective as a resident and business owner in the city should be a welcome addition to the HB City Council and the decisions that it faces. She also brings a unique perspective as a black woman--a voice that I do not believe has been present on the HB City Council previously, and perhaps not on any city council in Orange County. I urge you not only to make a positive decision for the council, but also an historic one. I was impressed by Dom, her passion, her energy, and her commitment to public service. I think she would be a phenomenal addition to the HB City Council and hope you will support her appointment.

Regards,
Adrienne Marshack (attorney)

Subject: Letter of Support for Oscar Rodriguez Appointment to City Council

Hello HB City Council Members,

I am writing as a citizen of Huntington Beach in support of Oscar Rodriguez' application for the open position on City Council. I met Oscar in April of 2021 at Oak View Comunidad, a food and household goods distribution service that he has been instrumental in organizing and operating in our community. Since his starting this grassroots program during the pandemic, Oscar and his team have helped many Huntington Beach citizens with weekly food, diapers, household items and other support during a time of great need. His continued commitment to the community through volunteering and organizing these types of services have inspired me to share my time and help out when I can. He is humble, a great communicator and leader, and a tireless worker for the betterment of our city and its inhabitants. Based on my time working with Oscar, I believe he would be an excellent fit to fill the open seat in the Huntington Beach City Council. His generous sharing of his time and energy, making himself available to the most needy members of our community, speaks to his character and ability to mobilize himself and our fellow citizens toward positive lasting changes in our city.

Thank you for your time!

Dear Huntington Beach City Council: Mayor Carr, Mayor Pro Tem Delgleize, Council Members Peterson, Posey, Kalmick and Moser,

As a long-time Huntington Beach residents, we strongly encourage you to fill the vacated city council seat with Oscar Rodriguez.

We have read his application and find that he is competent and capable of navigating the systems and relationships necessary to guide him to make decisions for our city. He has extensive experience in community building and leadership and has an insider's understanding of the needs and potential of the working class citizens of Huntington Beach. In particular, he has excellent relationships within the community of Oakview which is most important, especially to those of us who reside in northern HB where we value all of our neighbors.

He ran for a city council seat in the most recent election and we understand that he came in very close to being elected to one of the open seats. It would be the proper decision to allow him to take a seat now.

Thank you for your consideration and your vote to appoint Oscar Rodriguez to the open seat on the city council.

Most sincerely,
Mary M. Martin
