FINDINGS AND CONDITIONS OF APPROVAL

COASTAL DEVELOPMENT PERMIT NO. 21-015

FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15303 of the CEQA Guidelines because the project consists of the construction of one single-family residence within a residential zone.

The new home will replace an existing manufactured home, within an existing mobile home park and has been reviewed for compliance by the Department of Housing and Community Development.
3. At the time of occupancy, the proposed development can be provided with infrastructure in a manner that is consistent with the Local Coastal Program because Coastal Development Permit No. 21-015 to remove and replace an existing manufactured home with a 1,859 sq. ft., two-story double wide manufactured home at an overall height of 30 ft. is located in an urbanized area with all necessary services and infrastructure available, including water, sewer, and roadways.
