
Name: Economic Development Committee

Type: Council Committee

Description: The Economic Development Committee (EDC) is a City Council sub-committee assigned to offer early input on projects that impact the City's business development, real estate, housing or related projects/programs. The Committee is composed of the Mayor, Mayor Pro Tem, and one Council Member. On November 16, 2021, the EDC was merged with the Downtown Economic Development Committee (DEDC), which focused on issues related to Downtown including programs and projects that impact the City's Downtown Area. The membership was the same as the EDC.
