On March 21, 2016, the City Council authorized the execution of Cooperative Agreement No. C-5-3614 between Orange County Transportation Authority and City of Huntington Beach for I-405 Improvement Project. The agreement outlined the roles and responsibilities of each agency as well as identified a payment amount of \$682,737 to the City to compensate for services and pavement mitigation as estimated at the time. Now that the project has started, the amount of services and pavement mitigation have been better defined. Amendment No. 1 to the Agreement now identifies the reimbursement to the City in the amount of \$1,278,937. The reimbursement is broken down into four items, as shown on the Revised Schedule A, which is included in the Amendment.
