Analysis:

To improve the existing facilities at Lake Park, the Community Services Department has elected to rehabilitate the clubhouse restrooms and picnic area located on the east side of Lake Park to improve accessibility and safety, as well as to comply with American Disabilities Act (ADA) requirements. Improvements to the restroom area within the clubhouse building will create ADA compliant unisex facilities, trail pathways, and a ramp adjacent to the building.

Bids were received on July 28, 2021, with the following results:
