Subject:

Submitted by Councilmember Burns - Appointments to Boards and Commissions

Recommended Action:

Any Councilmember with more than one appointee to a Board or Commission will need to select a single appointee moving forward. Anyone Board Member or Commissioner who is not selected by the Council Member, will be excused. This is intended to provide a more efficient Board and Commission to operate as the Commissions are designed.

Direct the City Manager to facilitate the adjusting of Boards and Commissions such that those with direct Councilmember appointments be reduced or limited to a 7-member Board or Commission - one appointee for each Councilmember and no more. If any Resolutions or other Council action is required to make this modification, return to Council at the next regular meeting with whatever approvals are necessary from Council.
