Alternative Action(s):

Do not adopt these resolutions and direct staff accordingly.

Analysis:

Certain special events require the closure of portions of Main Street and 5th Street in the downtown area in the interest of public safety, crowd access, and event operation. Caltrans requires a City Council Resolution (Attachment 1) declaring the city’s intention to close the first block of Main Street and 5th Street in order to issue a permit for the closures. A Caltrans permit is needed for these locations because Pacific Coast Highway is a state highway with turn pockets onto Main Street and 5th Street.

Events occurring in 2021 that require the closure of Main Street and 5th Street in downtown Huntington Beach include: Wavecrest Beach Cruiser Meet, California Cruise In, Chili at the Beach, 4th of July Block Party, Surfing Walk of Fame Induction, Surf City Days, HB Air Show Displays, Halloween Activities, and Light a Light of Love. Additional events may be added at a later date.

Another street closure that requires a resolution in order to obtain a Caltrans permit is for the closure of 12th Street in Sunset Beach for the annual Sunset Beach Art Festival and Halloween Party (Attachment 2).

Caltrans also requires a resolution for the closure of Pacific Coast Highway from Beach Boulevard to Warner Avenue for the Surf City USA Marathon Run (Attachment 3) and the Surf City 10 Run (Attachment 5). Attachment 4 authorizes the temporary closure of portions of local streets along the Marathon’s course. While there is some impact on City residents, extensive notification is done to

minimize inconvenience. All streets are reopened as soon as public safety permits.

Finally, road closure resolutions are included for the 2021 Fourth of July parade, fireworks, and related activities (Attachments 6 and 7). These closures remain unchanged from the last several years that the event took place.
