
Name: Design Review Board

Type: Board or Commission

Description: The Design Review Board reviews design, colors and materials for projects located within Specific Plan Areas as applicable, Redevelopment Areas, and areas designated by City Council, City facilities or projects abutting or adjoining City facilities, OS-PR and OS-S districts, and General Plan primary and secondary entry nodes. This process ensures that the aesthetic values of the adopted Urban Design Guidelines are implemented through high quality architectural style, superior landscaping and compatibility of design with surrounding properties. The Design Review Board is comprised of five members, one Planning Commission member, one Historic Resources Board member, and three at-large members.
