
Name: CIAB/Public Works Commission

Type: Board or Commission

Description: Established in February 1996, the Public Works Commission consists of seven (7) members, appointed by each City Council member. Its mission is to provide an annual review and makes recommendations related to Public Works capital improvement projects and long term infrastructure maintenance and repair programs; oil pipeline permits issued by Public Works staff; and traffic control device permits issued by Public Works. Acting in the capacity of the Citizens Infrastructure Advisory Board, conducts an annual review and performance audit of the Infrastructure Fund and reports its findings to the City Council prior to the City Council's adoption of the ensuing fiscal year budget.
