REQUEST FOR CITY COUNCIL ACTION

SUBMITTED TO: Honorable Mayor and City Council Members

SUBMITTED BY: Fred A. Wilson, City Manager

PREPARED BY: Travis K. Hopkins, PE, Director of Public Works

Subject:

Adopt Resolution No. 2018-46 confirming the report of the Public Works Director regarding the costs for weed abatement on private property within the City for the 2018 season

Statement of Issue:

In accordance with Chapter 8.16 Weed Abatement of the Huntington Beach Municipal Code, the Director of Public Works shall submit to the City Council a cost report of the costs incurred for the abatement of weeds on private properties.

Financial Impact:

A special assessment totaling \$11,568.16 will be charged to the Orange County property tax roll and reimbursed to the City's General Fund by the County of Orange as part of the ordinary collection process.

Recommended Action:

A) Adopt Resolution No. 2018-46, "A Resolution of the City Council of the City of Huntington Beach Confirming the Report of the Director of Public Works Regarding the Costs for Weed Abatement on Private Property within the City for the 2018 Season"; and,

B) Direct that all charges listed thereon be certified to the Orange County 2018/19 Property Tax Roll.

Alternative Action(s):

Deny approval of the resolution and forego reimbursement to the City for weed abatement services performed on 30 properties.

Analysis:

Chapter 8.16 Weed Abatement of the Huntington Beach Municipal Code includes a provision for the removal of weeds on private property. In accordance with Section 8.16.010 Removal Required, "all persons owning any real property in the City are required to keep their property free from weeds... or other flammable materials that endangers the public safety by creating a fire hazard." If a property owner does not remove the weeds or flammable material by a prescribed time, the City Council may order the Director of Public Works to do the work at the expense of the property owner.

Pursuant to City Council direction on March 19, 2018, the City has cleared 30 such properties. The cost of the work totals \$11,568.16 as reported on the attached 2018 Weed Abatement Cost Report. In accordance with Government Code Section 39575, these costs must be posted for public review prior to City Council approval. The costs were posted on the City Council Chamber bulletin board on Monday, July 9, 2018. Excepting objections to the cost report, the Director of Public Works recommends confirmation and approval of the 2018 Weed Abatement Cost Report.

Environmental Status:

Categorically exempt.

Strategic Plan Goal:

Enhance and maintain public safety
