REQUEST FOR CITY COUNCIL ACTION

SUBMITTED TO: Honorable Mayor and City Council Members

SUBMITTED BY: Oliver Chi, City Manager

PREPARED BY: Travis K. Hopkins, Acting Assistant City Manager

Subject:

Adopt Ordinance No. 4200 amending Huntington Beach Municipal Code Section 2.76.010 to add the Classification of Director of Organizational Learning & Engagement
Approved for introduction 11-04-2019 - Vote: 6-0-1 (Peterson absent)

Statement of Issue:

City Council approval is requested to adopt Ordinance No. 4200 amending Section 2.76.010 of the Huntington Beach Municipal Code to add the classification of Director of Organizational Learning and Engagement as an at-will position. Exhibit 1 to Resolution No. 2019-78 modifies the Non-Associated Salary Schedule to establish the classification and compensation of the Director of Organizational Learning & Engagement, amends the compensation for the City Manager, and at Council direction on November 4, 2019, removes the positions of the Director of Human Resources, Director of Building and Safety, and Director of Economic Development.

Financial Impact:

This request has a net neutral budget impact. The Human Resources Department will report to the City Manager's Office leaving vacant the Director of Human Resources position. The costs for the new Director of Organizational Learning & Engagement will be neutral to the organization by exchanging for the Human Resources Director position. This Action does not increase the City's Table of Organization.

Recommended Action:

Adopt Ordinance No. 4200," An Ordinance of the City of Huntington Beach Amending the Huntington Beach Municipal Code by Amending Section 2.76.010 Thereof Related to Exclusions From the Competitive Service" by adding the Director of Organization Learning & Engagement.

Alternative Action(s):

Do not adopt the ordinance and provide alternate direction.

Analysis:

The City of Huntington Beach has had recent retirement of the Human Resources Director providing an opportunity for reorganization of the Human Resources Department and the City Manager Office. In order to provide improved direct support for the Human Resources Department the Department will now report to the City Manager's Office. The cost for the new position will be neutral to the organization by exchanging the Human Resources Director position for the new Director of Organizational Learning and Engagement. This adjustment will provide a focus on change management, succession planning, organizational training, employee development and other associated duties.

This position is a department head reporting directly to the City Manager, responsible for organizational development, management and research programs. This position will provide support to the 13 Departments and over 1,500 full and part-time employees in the development, coordination, and implementation of organizational development and change initiatives that assure city workforce is prepared to meet or exceed performance goals.

Marie Knight has more than three decades of experience in municipal government currently serving as the Director of Community Services for Huntington Beach. Prior to her current position, she has served as the Director of Parks and Recreation for the City of Long Beach and the Director of Community Services for the Cities of Orange and Newport Beach. For the past 20 years Marie has been a speaker and trainer on a local, state and national level in her profession assisting a variety of municipal agencies, non-profit organizations and the State California Parks and Recreation Society in areas such as customer service, employee development, leadership and change management.

The City Manager Recommends City Council approval to appoint Marie Knight to the position of Director of Organizational Learning & Engagement effective November 4th, 2019. The contractual compensation is at Non-Associated/Executive Management Pay Grade No. 0012 End Point. The annual salary is \$192,316.

In order to comply with CalPERS requirements, the proposed Non-Associated Executive Management Salary Schedule was also updated to reflect the City Manager compensation approved by the City Council on August 5, 2019.

Environmental Status:

N/A

Strategic Plan Goal:

Enhance and maintain high quality City services

Attachment(s):
