Analysis:

Since 1995, the City of Huntington Beach has had a ground lease agreement (Agreement) between the City and the Ocean View School District (District) of Orange County to (1) provide a public library branch to serve the needs of the students and residents of the Oak View community, and (2) to permit the Parties to continue to share parking rights to the Joint Parking Area for library use purposes and for District-related events and activities pertaining to the Oak View Elementary School and Preschool.

The agreement requires a payment of \$1.00 annually for use of the property. In addition, the City is responsible for all utilities, as well as the maintenance of the facility and shared parking lot. Per the agreement and unless agreed to otherwise, hours of operation are also specified to be Monday - Friday, 9:00 a.m. to 9:00 p.m., and Saturday, 9:00 a.m. to 5:00 p.m.

The primary programming focus of the Oak View library branch is toward students and residents, provided in English and Spanish. Additionally, the branch will provide literacy series, homework assistance, and basic library services emphasizing the importance of reading and extended education. The Library has two Literacy Program Specialists that coordinate the library operation and network with Oak View School and other educational/social agencies.

The term of the agreement shall be five (5) years from the effective date of this agreement, subject to earlier termination, if needed. The lease includes one (1) option to extend the term for a period of five (5) years upon mutual, written consent of both parties. In addition to the five-year option, the term may be further extended by a writing executed by both parties.
