## REQUEST FOR CITY COUNCIL ACTION

**SUBMITTED TO:** Honorable Mayor and City Council Members

**SUBMITTED BY:** Oliver Chi, City Manager

**PREPARED BY:** Sean Crumby, Director of Public Works

### Subject:

**Approve and authorize execution of a Professional Services Contract to provide Professional Engineering and Construction Phase Services for the Heil Avenue Stormwater Pump Station Project, CC-1293, with AECOM Technical Services, Inc. in the amount of \$200,000**

### Statement of Issue:

The Public Works Department requires a Professional Service Contract with AECOM Technical Services, Inc. to provide Professional Engineering and Construction Phase Services for the Heil Avenue Stormwater Pump Station Project, CC 1293.

### Financial Impact:

Funds for the contract at a not-to-exceed amount of \$200,000 are available in Infrastructure Fund account 31488001.82500.

### Recommended Action:

Approve and authorize the Mayor and City Clerk to execute a "Professional Services Contract Between the City of Huntington Beach and AECOM Technical Services, Inc., for Construction Phase Services for Heil Avenue Stormwater Pump Station, CC-1293."

### Alternative Action(s):

Do not authorize the contract and direct staff with an alternate action.

**Analysis:**

AECOM Technical Services, Inc. (AECOM) provided professional engineering design services for the Heil Pump Station Replacement Project. The final design of this project was completed in 2018 and was used to apply for a FEMA grant. In 2021 the City received a \$6.7M FEMA Grant and now the project is moving forward. As the engineer of record for this project, the City needs a contract with AECOM to update the plans and specifications prior to bidding the project in addition to providing services during construction.

AECOM was procured through an Interagency Agreement per section 3.03.080.B of our municipal Code.

**Environmental Status:**

Not applicable.

**Strategic Plan Goal:**

Infrastructure & Parks
