### Analysis:

The Huntington Beach Human Relations Committee (HBHRC) is a nine (9) member advisory board to the City Council with a mission to “inspire and promote mutual understanding, respect, safety, and the wellbeing of all in our community through education and engagement.” Currently, there is one unscheduled vacancy on the Committee, due to the resignation of Committee Member Teresa Carlisle.

The City advertised the vacancy through the following means: postings on the City's website and facilities. Seven eligible applications were reviewed and considered for appointment.

After deliberation, both City Council Liaisons recommend Ms. Kim Kaston to fill the vacancy, which is scheduled to end on December 31, 2023.

Ms. Kaston brings over 40 years of professional experiences in project management, strategic planning, procurement, supply chain and event production, including years at the Boeing Company and the Walt Disney Company. She also serves on several nonprofit organizations focused on civic engagement, human rights, and gender equity as a Board member, volunteer, and donor. She has obtained a Master degree in Communications Management from the University of Southern California (USC) and an Executive Certificate in Nonprofit Fund Development from the University of Notre Dame.
