Submitted by Mayor Pro Tem Van Der Mark and Councilmember McKeon - Request to Switch the City of Huntington Beach's (The Organization) OCPA Energy Rate to Basic Choice and provide Recommendations to Withdraw as a Founding Member of the OCPA

We request the City Manager to present options at the next City Council meeting on the City's pursuit to immediately switch the City of Huntington Beach facilities to OCPA's Basic Choice Option. We also request for staff to return at a study session before the end of February 2023 to provide options, costs and paths forward to remove/withdraw the City entirely from the Orange County Power Authority.
