In lieu of the Youth Board, the Community and Library Services Department plans to establish an alternative non-Brown Act working group of select members of highly qualified, local high school students, Youth Civic Leaders Collaborative (YCLC).

The YCLC will enable continued youth engagement with City affairs as its volunteer members can help plan and coordinate the Annual Youth in Government Day, the Junior Citizens Academy and other various projects requested by the City more effectively and efficiently. The YCLC can have a similar member selection process as the Youth Board (but not as Council appointees) and current Board members in good standing may continue their membership with the newly created YCLC.

Recommendation J: Adoption of **Ordinance No. 4301 (Attachment 7)** will update Chapter 13.54 Specific Events. This action will clarify roles of the Specific Events Committee, which is an internal staff group to discuss the permitting and any logistical requirements for each proposed event, and establish a separate Council standing committee to review and recommend overall policy on large-scale specific events in the City, based on City Council's priorities.

The Community and Library Service Department will serve as a staff liaison(s) to this Council Committee. As City staff conducts a more in-depth review of the HBMC Chapter 13.54 and citywide event permitting policy and procedure, City staff plans to bring back any recommendations and subsequent code updates for the Council's consideration at a later time.
