Funding Source:
Funds are available in the Park Development Impact Fee account 22845013.82900 for the project.

Recommended Action:
Motion to approve that the Lake Park Improvements, CC-1629, is in general conformance with the previously approved Capital Improvement Program

Alternative Action(s):
Deny approval and recommend an alternative action.

Analysis:
To improve the existing facilities at Lake Park, the Community Services Department has elected to rehabilitate the clubhouse restrooms and picnic area located on the east side of Lake Park to improve accessibility and safety, as well as to comply with American Disabilities Act (ADA) requirements. Improvements to the restroom area within the clubhouse building will create ADA compliant unisex facilities, trail pathways, and a ramp adjacent to the building.
