**File #:** 21-533

**MEETING DATE:** 7/21/2021

**SUBMITTED TO:** Personnel Commission

**SUBMITTED BY:** John Clark, Interim Director of Administrative Services

**DATE:** July 21, 2021

**Subject:**

**Revisions to the Water Meter Repair Technician Job Class Specification**

The **Water Meter Repair Technician** job classification is assigned to the Public Works Department and represented by the Huntington Beach Municipal Teamsters (HBMT).

Modifications to the **Water Meter Repair Technician** job class specification are recommended to: 1) add reporting relationships; 2) update job duties; 3) update minimum qualifications including knowledge, ability, experience, licensing and certification requirements, in accordance with the needs of the position and department; 4) add DMV Employer Pull Program notice and Disaster Service Worker requirements; and 5) update the physical tasks and environmental conditions. The modifications are intended to update the classification to reflect current and consistent job requirements and present hiring standards and do not materially change the fundamental nature of the work performed. The current pay grade remains the same.

The Public Works Department collaborated with Human Resources on the recommended changes, and HBMT has reviewed the proposed changes.

**Job Class Title:** Water Meter Repair Technician  
**Pay Grade:** MEA356  
**Affected Employees:** Four

Staff requests the Personnel Commission approve the recommendation in accordance with Personnel Rule 12 regarding amendments to the City's Classification Plan.

**STAFF RECOMMENDATION:**

**Approve the updates to the job class specification of Water Meter Repair Technician.**
