

# City of Huntington Beach

File #: 21-823

MEETING DATE: 11/16/2021

## REQUEST FOR CITY COUNCIL ACTION

**SUBMITTED TO:** Honorable Mayor and City Council Members

**SUBMITTED BY:** Oliver Chi, City Manager

**PREPARED BY:** Sean Crumby, Director of Public Works

**Subject:**

**Adopt Resolution No. 2021-64 certifying the City of Huntington Beach has authorized the Project List Submittal for Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA) Funding through the Orange County Transportation Authority (OCTA) 2021 Pavement Relief Funding Program; and authorize appropriation of funds**

**Statement of Issue:**

The Orange County Transportation Authority (OCTA) was provided Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA) funding in the total of \$10.931 million to be distributed to local agencies through the Pavement Management Relief Funding (PMRF) Program. Huntington Beach will receive \$578,011 based on population. One step in the application is to provide a Council resolution authorizing a project list. Staff is recommending these funds be used to supplement the FY 2021-22 Arterial Rehabilitation Project included in this fiscal year's Capital Improvement Program (CIP).

**Financial Impact:**

There is no matching requirement to receive these funds.

**Recommended Action:**

A) Adopt Resolution No. 2021-64, "A Resolution of the City Council of the City of Huntington Beach Which Certifies the City of Huntington Beach has Authorized the Project List Submittal for Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA) Funding through the Orange County Transportation Authority 2021 Pavement Management Relief Funding Program;" and,

B) Appropriate \$578,011 in grant funding, once officially awarded, into a grant account established by the Finance Department.

**Alternative Action(s):**

Do not adopt the Resolution and forego CRRSAA funding in the amount of \$578,011.

**Analysis:**

The federal Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA), which was signed into law on December 27, 2020, appropriated \$10 billion for the Highway Infrastructure Programs (HIP) through the Federal Highway Administration (FHWA). These funds will be distributed to regional transportation agencies. The Orange County Transportation Authority (OCTA) was provided \$14.591 million, of which \$3.66 million has been programmed for OCTA priority projects, with \$10.932 million to be distributed to local agencies through the Pavement Management Relief Funding (PMRF) Program. Huntington Beach will receive \$578,011. There is no local match required for this funding.

Projects eligible under this program included pavement: (1) preservation/preventative maintenance, (2) rehabilitation and (3) reconstruction. In addition, funds should be utilized on streets with the California Road System Map or the National Highway system. Staff is recommending the funds be used to supplement the FY 2021-22 Arterial Rehabilitation Project included in this fiscal year's Capital Improvement Program (CIP), which meets the criteria above. To receive the funds agencies must upload a project list and provide a City Council resolution authorizing the project list to OCTA by February 28, 2022.

**Environmental Status:**

Not applicable.

**Strategic Plan Goal:**

Infrastructure & Parks
