REQUEST FOR CITY COUNCIL ACTION

SUBMITTED TO: Honorable Mayor and City Council Members

SUBMITTED BY: Sean Joyce, Interim City Manager

VIA: Sean Crumby, Director of Public Works

PREPARED BY: Jonathan Claudio, Senior Civil Engineer

Subject:

Adopt Resolution No. 2022-22 concerning the status and update of the Pavement Management Plan for the Measure M2 Program and adopt a 7-year Capital Improvement Program for Fiscal Years 2022/23 through 2028/29 for compliance with renewed Measure M eligibility requirements

Statement of Issue:

To remain eligible to receive Measure M2 Program funding, the City must adopt a resolution informing Orange County Transportation Authority (OCTA) that the City's updated Pavement Management Plan (PMP) has been approved by the City. The City must also submit to OCTA an adopted 7-year Capital Improvement Program (CIP) in compliance with renewed Measure M (M2) eligibility requirements.

Financial Impact:

No additional funding is required for this action. The annual Measure M2 local fair share allocation in Fiscal Year 2022/23 is approximately \$4 million for the City.

Recommended Action:

A) Adopt Resolution No. 2022-22, "A Resolution of the City Council of the City of Huntington Beach Concerning the Status and Update of the Pavement Management Plan for the Measure M2 Program"; and,

B) Adopt the 7-year Capital Improvement Program for Fiscal Years 2022/23 through 2028/29 for compliance with renewed Measure M eligibility requirements.

Alternative Action(s):

Do not adopt Resolution No. 2022-22 and/or the attached 7-year CIP for Measure M eligibility and provide staff with alternate direction. This action would result in the loss of \$4 million for the next fiscal year, and the loss of allocated and potential grant funding for traffic and street improvement projects.

Analysis:

On November 6, 1990, Orange County voters approved the original Measure M, the revised Traffic Improvement and Growth Management Ordinance, for twenty years (1991-2011). On November 7, 2006 the Orange County voters approved Renewed Measure M. Renewed Measure M is a thirty year (2011-2041), multi-billion dollar program extension of the original Measure M.

Renewed Measure M net revenues are generated from a one-half cent sales tax plus any interest or other earnings-after allowable deductions. Net revenues may be allocated to local jurisdictions for a variety of programs identified in Ordinance No. 3 (see Attachment #3). Compliance with the eligibility requirements in Ordinance No. 3 must be established and maintained in order for local jurisdictions to receive Measure M net revenues.

The City must satisfy certain requirements to maintain eligibility in order to receive funding from OCTA. A key requirement is that the City must adopt a 7-year CIP for fiscal years 2022/23 through 2028/29, in compliance with the renewed Measure M eligibility requirements. The 7-year CIP, which is included as Attachment #2, identifies all projects currently and potentially funded by OCTA Measure M2 funds.

The following projects are identified in Attachment #2:

1. Arterial Rehabilitation FY 2022 (Bolsa, Brookhurst, Edinger, Garfield, Hamilton, and Heil)
2. Bridge Preventive Maintenance
3. Bridge Rehabilitation Projects
4. City-Funded Bridge Maintenance Projects
5. Citywide Concrete Replacements
6. Downtown Street Lighting
7. Edinger Avenue Synchronization
8. Fire Station Signal - Heil Fire Station
