REQUEST FOR CITY COUNCIL ACTION

SUBMITTED TO: Honorable Mayor and City Council Members

SUBMITTED BY: Al Zelinka, City Manager

VIA: Scott M. Haberle, Fire Chief

PREPARED BY: Steve Eros, Deputy Fire Marshal
Bonnie To, Principal Administrative Analyst

Subject:

Adopt Resolution No. 2022-55 approving the street name change from Jason Circle to Revival Circle in Huntington Beach

Statement of Issue:

City Council is requested to adopt a resolution to approve renaming Jason Circle to Revival Circle.

Financial Impact:

The applicant submitted a payment with the request and all proposed street name changes were included, as referenced in City Specification No. 409: Street Naming and Address Assignment Process - Public or Private. The applicant has paid in full the \$170.66 fee to the City of Huntington Beach. If City Council approves the street name change, the applicant is responsible for locating a vendor who will remove the old signs, supply and install the new signs to meet the City specifications. The applicant must pay the vendor directly for any and all fees associated with the removal, supply, and installation of all street signs located at Jason Circle because it is a private street.

Recommended Action:

Adopt Resolution No. 2022-55, "A Resolution of the City Council of the City of Huntington Beach to Approve the Name Change From Jason Circle to Revival Circle in Huntington Beach."

Alternative Action(s):

1) Retain the original street name of Jason Circle, 2) request applicant to submit alternative street names for consideration; or 3) direct staff accordingly.

Analysis:

Resolution No. 2390 designates the Fire Department as the agency authorized to select names for new streets within the City. The owners of the buildings on 15272 Jason Circle and 15282 Jason Circle requested for the street name change of Jason Circle to the following options:

- Compass Circle
- Trolley Circle
- Revival Circle

In accordance to City Specification No. 409, the applicant provided a petition supporting the name change signed by 75 percent of the property owners on that street. The Fire Department circulated the application for street name change to the necessary City departments and government agencies for feedback. Based on feedback received, Compass Circle and Trolley Circle sounded similar to existing City street names Compass Lane and Jolly Lane. As such, the Fire Department is submitting a Request for City Council Action for City Council to adopt a resolution to approve the street name change from Jason Circle to Revival Circle. City Specification No. 409 also requires for a public hearing to be set and notified. A Public Hearing Notice was published and is shown in attachments.
